Non-Major Courses

Name of Department: Chemistry

Each of the three main course SLOs (lecture content, lab communicatoin, and scientific method) will be assessed over the three year period for the each of the courses. The content SLO will be assesed first because the spring 2021 semester will be online. The 4th SLO relating to laboratory skills will be assessed during the next cycle.

The results will be analyzed and discussed in October of each year prior to program review.
