Degree-Granting Programs

Name of Department: Geology Major Certificate of Achievement

Complete a separate template for every degree & certificate.

Year 1: we will assess the PSLO dealing with identification, analysis and evaluation of earth materials and/or geologic tools. Year 2: we will focus on Earth Processes (e.g., plate tectonics). Year 3: we will check to make sure that all course CSLOs have been evaluated over this period and we will assess any that may have been missed.
