

Welcome to Las Positas College Concurrent Enrollment program

Our goal is to provide an inclusive learning-centered environment that provides educational opportunities and support students in completing their educational goals.

Las Positas College provides the opportunity for high school students in 9th, 10th, 11th, and 12th grades. Students in 8th grade may be admitted through special agreements between Las Positas College and school districts.

We are happy to be able to offer High School students the opportunity to enroll concurrently for the Spring, Summer, & Fall semesters.
