

Jordan Technician

Electronics Technologist | Mechanical Engineering Technologist

Livermore, CA 94551 | (510) 123-4567 | Jordan.Technician5678@amil.com

SUMMARY

United States Air Force veteran and Engineering Technology student with experience in engineering graphics and 3D printing. Interact well with a diverse team, work well under pressure and with limited time and resources.

SKILLS

Technical Skills: SolidWorks, LTSpice, Electronic installation, Soldering, Wiring, Engineering hardware testing, Reading blueprints, Hand and power tools

Computer Skills: Google Drive, MS Office

Other Skills: Bilingual (Spanish/English), Public Speaking, Ability to lift up to 50 pounds

EDUCATION AND TRAINING

Associate of Science in Engineering Technology

Expected May 2025

Las Positas College

Relevant coursework: MIG and TIG Welding, Machining, Engineering Design Graphics (Solidworks), Intro to Electrical Systems (LTSpice), Descriptive Physics

Expeditionary and Emergency Services Certification

May 2018

US Air Force Institute of Technology

PROJECTS

Keychain, Engineering Graphics Course, Las Positas College August 2024 – December 2024

- Designed and created keychain using SolidWorks CAD and 3D printer

EXPERIENCE

Student Assistant

August 2024 – present

Veterans First Program, Las Positas College, Livermore, CA

- Greet students, create flyers, enter data from over 500 surveys into Excel spreadsheets

Security Specialist

January 2018 – December 2023

US Air Force, Travis Airforce Base, CA

- Guarded launch facilities, security installations and personnel
- Protected high-valued assets during transport
- Deployed to bases overseas to guard security installations and personnel

EXTRACURRICULAR ACTIVITIES

President

August 2024 – present

Welding Club at Las Positas College, Livermore, CA

- Designed and planned events to engage students in product design and implementation

AWARDS

- Veterans in STEM Scholarship (\$2000), Las Positas College, May 2024
