

Dear Academic Senate President,

I would like to take the opportunity to thank you for your generosity in funding the Las Positas College Academic Senate Scholarship. I am sincerely honored to have been selected as the recipient of the award.

I will be continuing my studies at the University of California, Los Angeles where I will major in political science. This summer, I'm staying academically engaged by taking two paralegal courses (PLGL 30 and PLGL 32) and a class outlining the criminal court process (AJ 80), which will prepare me for my future intention of attending law school. At Las Positas, I was heavily involved in student government and other clubs, and I plan to continue that by joining a pre-law society and being part of the undergraduate students association council.

The past year has been stressful preparing to transfer and navigating online classes, so I am very touched to be selected for this scholarship. Your generosity will allow me to focus on my studies rather than finding a job on campus to help fund my education.

I am forever thankful for the growth I had at Las Positas and the supportive network of individuals who helped me get to where I am today.

Thank you again for your thoughtful and generous gift.

Sincerely,

Saba Salehifar
