Using AI in Your Academic Work

Graded Assignments & Exams

Do NOT use AI for graded assignments or exams unless explicitly instructed!

Refining or paraphrasing is **OK**, but core ideas must be original.

Your work must be **original**. Academic dishonesty will result in disciplinary action.

Cite AI use:

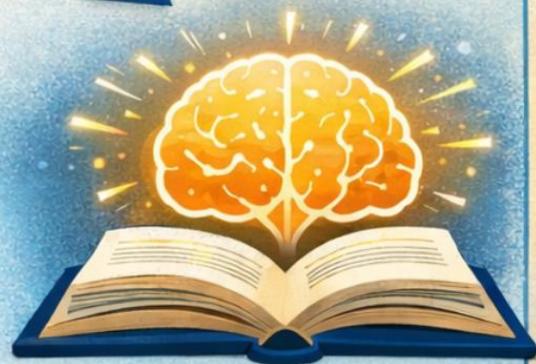

"Used AI to help edit and outline."

Understanding & Enhancing Learning

Use AI to:

- Understand concepts
- Set study plans
- Generate ideas
- Translate text
- Check grammar

**Enhance Learning,
Don't Replace Thinking!**

- Always Cite AI Use in Assignments
- When in doubt, ask your Instructor.

Be Responsible: Use AI to Learn, Not to Cheat!
