Making Connections Through Social Media

Las Positas has worked to tell authentic stories of students, Woerner says.

"It's having students talk about their experiences," he says.

"We've seen engagement levels five times higher than if we have somebody else from the college singing its praises and saying, 'We have great programs.'

November 6, 2024

Agenda

- Cyber-Security Month Recap
- Chancellor's Office Zoom Storage Limits
- Training: One Drive
- MyPortal
- CRMs: Advise and Recruit
- Upgrading CLASS-Web pages to Self-Service Banner 9 (SSB9)

Celebrating Cyber-Security Month

- Multi-Factor Authentication Rolled Out - October 21
- Do-It-Yourself Password Resets
- Cyber-Security Training - December
- Dramatically Reduced Fraudulent Enrollments
- Top Cyber-Security Threats
 - Phishing
 - Vishing (Voice)
 - Quishing (QR Codes)
 - Gift Cards and Direct Deposit Changes

Chancellor's Office Zoom Storage Limits

- Policy Implementation: Effective October 1, 2025, all Zoom recordings created before July 31, 2024, will be deleted from user accounts. Deleted recordings will be stored in the Zoom “trash” folder for 30 days, during which they can be retrieved. However, after this grace period, recordings will be permanently removed and inaccessible.
- Action Required: To ensure retention of recordings you may need for future reference, please proactively manage your Zoom recordings by moving them to alternate long-term storage resources...
- Reminder: Voice is identifiable information under FERPA so you cannot share recordings from one class to another.

Training: OneDrive

- OneDrive training every Friday started October 25 for four weeks at noon.
 - Will include "How to Save Your Zoom Recordings"
 - Other dates and times as needed to accommodate 4/10s.
- New topics forthcoming.

What's New with MyPortal

The screenshot shows a web browser displaying the MyPortal interface. The browser's address bar shows the URL `experience.elluciancloud.com/clpcdd`. The page header includes the Chabot Las Positas Community College District logo and navigation icons. The main content area features a banner with a smiling woman's face and a checklist icon. Below the banner are two notification cards: one for a 'Quick Guide' and another for 'Apply for Financial Aid'. The main dashboard is divided into four sections: 'Classic CLASS-Web' with links for Student Services, Student Steps for Success, Financial Aid, Faculty and Staff Menu, and Employee Resources; 'Degree/Certificate Progress' for an Associate in Science (AS) program showing 10% requirements completed and a 4.00 overall GPA; 'Banner 9 Menu' with links for PRODUCTION, DEVL, SPEC, and UPGD databases; and 'HR / Payroll Information' with links for Employee Information Menu, Leave Balances, Pay Information, and various forms.

PROJECT PROGRESS REPORT

Cultural Community Center, B2401

LAS POSITAS COLLEGE
October 23, 2024

Project Team

Architect: Lionakis
Construction Manager: Vanir Construction Management, Inc.
Contractor: TBD

Project Description:

The new Cultural Community Center will be a home to the LGBTQ+, Dream Center, Puente, AAPI, and ESL student communities. The center will be renovated to include dedicated spaces for each program to host club meetings as well as a communal open space with flexible seating for all students to "chill and chat", study and host events. Additionally, the center will include "hoteling" offices for support services such as counselors, immigration lawyers and financial advisors. Scope of work to include new furniture, flooring, paint, signage and upgraded lighting, audio-visual and fire / life safety systems.

Project Update:

- Bidding complete – Awarded to Rodan Builders Inc.
- Demo complete

Laboratories and preparation spaces for STEAM related programs, Classrooms, Computer Labs, shared Meeting rooms and workrooms. Faculty offices and Shared Adjunct space. Arts, Media and Photography Programs, Outdoor Garden and Display area. Amphitheater Renovations and Renovation to B1800. The Demolition of existing building 800 and adjacent covered walkways are included in this project.

Project Update:

- Schematic Design completion and approval by the District is projected for mid October, 2024
- Revised Schematic Design Draft has been provided and Cost Estimates are in process
- Design Development is expected to start in October 2024
- DSA submission for Increment 1 (Demo/Site Prep) is expected to take place in late October

Occupancy: Winter 2027/28

Compressed Calendar

Given the disadvantages our district faces as a result of the Student-Centered Funding Formula:

- resumption of efforts to evaluate the potential adoption of a compressed calendar
-
- committed to working closely with both the Faculty Association and SEIU 1021 to thoroughly examine and evaluate the potential impacts of such a shift on both students and employees

DHSI Grant: Guided Pathways Implementation as a Catalyst for Institutional Transformation

- identify and recruit Hispanic/Latinx and low-income students to the Guided Pathways program from high schools, community, and current LPC enrollees
- provide comprehensive orientation and identification of pathway, development of comprehensive student educational plans, support to complete first year of study
- to be advised, tutored, and supported throughout their academic journey
- Funding for the project is in the total amount of \$2,998,459 from October 1, 2024 through September 30, 2029.

DHSI Grant: Guided Pathways Implementation as a Catalyst for Institutional Transformation

- HSI Advisory Monitoring Team
- Grant Co-Coordinator: Rafael Valle & Kristy Woods
- HSI, Director
- Pathway Coordinator
- Adjunct Counselors and Student Ambassadors

Using Technology to Enhance Teaching & Learning

- Grant Writer: Contract for Services
- Immersive Technology & Spatial Computing
- Mirror what students will experience in the work environment
- Potential & innovative projects, ideas, opportunities

Intercampus Awareness: Lab Technicians

Dean Mattern, Dean Checchi & Dean Kramer

A&H Division - Mark Yamamoto

Photography Laboratory Technician

Responsibilities: Maintaining a film processing station, wet darkroom lab, digital printing and monitor calibration services just to name a few things. Holds Open Lab hours for students where he helps students with any questions with their projects in a safe and efficient working environment. Follow the Las Positas College Photography Instagram where he has been posting student work @laspositascollegephoto

Educational & Professional background:

Some thirty years of experience as a professional freelance photographer, plus a digital color specialist for newspapers, and magazines. Commercial clients included Footlocker, Benihana, FIDM, Pottery Barn, Yankee Candle, Walmart, REEDS Jewelers, Mikimoto.

Fun fact: One student asked me how many days do I photograph? I answered that I photograph for a blog once a week. That has recently increased to two days a week since I'm a licensed remote pilot thanks to completing the Drone class at LPC, and passing an FAA Remote Pilot Exam.

A&H Division - Karl Haller

Stage Technician

Responsibilities: Looks after the theaters and maintain the theater and scene shop equipment. Serves as CNC machine operator, resident expert on sound, rigging, and scenic carpentry. Operates sound for most shows and mentors students on sound. And more!

Educational & Professional Background: Started working at the Amador theater in 2009 for the City of Pleasanton's civic arts department, worked as Technical Director for a few theater company's such as QDT and Dragon Theater, joined local 107 Oakland as a stage hand. Worked as a freelance scenic designer/ builder. Worked with Mike Rinaldi's Staging and Lighting company. Started working with Pyro Spectaculars in 2020 doing fireworks and effects at Hollywood Bowl, but also working with touring bands from California to Arizona. Graduated high school in 2010 and went to LPC. Earned AS in Welding Technologies and YouTube taught him everything else he needs to know! 😊

Fun fact: Just got married in October!

A&H Division - Mike Rinaldi

Performing Arts Specialist/Technician

Responsibilities: Provides support to the technical theater classes, helps create scenic elements, and lights productions and events for our Performing Arts department as well as other campus and community events. He ensures students work safely, that they learn best practices, and that they are knowledgeable about what will be expected of them when they enter the field. He has worked at LPC for 23 years!

Educational & Professional background:

Attended Chabot for a semester after high school and then began working as a stage hand. He worked for ten years with Oakland and San Francisco Stagehand Unions, working in opera, ballet, theater, and concerts. Has owned his own lighting company, Northern Lights, which provided lighting for performing arts, concerts, and special events throughout the Bay area.

Fun fact: He and his wife Patricia have a menagerie of animals that they are raising on their ranch here in Livermore. He has 5 dogs, 2 horses, cats, chickens, and an occasional cow or goat when they break through his fence.
