You know JSTOR for journals but now there's more!

Ebooks are available in JSTOR alongside more than 2,000 journals.

Access over 100,000 titles from leading publishers such as Yale University Press and the University of California Press.

To add a title to your course, copy and paste the stable URL for a chapter or a full ebook to Canvas. Licensing rights allow for unlimited simultaneous users so the ebooks are always available to students 24/7.

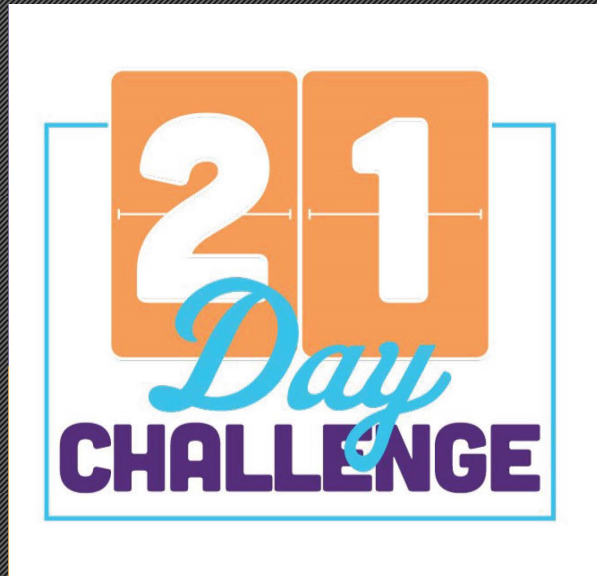

Don't let the name fool you, the images in Artstor extend far beyond the field of art.

Studies have shown that incorporating visuals into lectures, papers, and research improves information retention and observational skills, regardless of discipline.

Within JSTOR, search approx 3 million images in ARTstor's 300 collections from major museums, archives, and cultural institutions.
