Subject: Art on Campus

At the College Council meeting on February 28, 2019, the committee voted to request that the Facilities & Sustainability Committee develop an "Art on Campus" task force at LPC with the goal of spending the remaining \$180k of Nike Site Funds on art. This would bring to completion a 2010 request from Guy Lease, Interim President at LPC, to Dr. Phillip Manwell, Dean of Arts and Communication.

College Council is requesting that this task force be active beginning this spring and continue through next year with Stuart McElderry, Dean of Arts & Humanities heading up the task force and Deanna Horvath, an original member of the Art on Campus program, as a continued member.

I have attached the original 2010 request from Guy Lease to Dr. Manwell for your reference. Please let me know if you have any questions. College Council looks forward to hearing about the "Art on Campus" projects.
