Degree-Granting Programs

Name of Department: Computer Science

Complete a separate template for every degree & certificate.

For the Red Hat Administration CA, we will focus on both PSLOs. We hope to learn how effective the course material is and whether students understand how to properly administer a Red Hat Linux server and how to write and use BASH scripts to help with this.

Note: CS 43 is a cross-linked course and will be assessed by a different department.
