

Degree-Granting Programs

Name of Department: **Automotive**

Complete a separate template for every degree & certificate.

All Auto classes will be in data collecting mode for year 1. The Safety PSLO will be looked at. In year two weaknesses will be found and improvements will be made during year three. This plan will be offset for each class because of the class rotation here: <http://www.laspositascollege.edu/auto/assets/docs/guided-pathway/ClassRotation1.pdf> The numbers below represent the semester of rotation we are in. The "+" means this class also.
