

UNIVERSITY
of HAWAII*
HILO

Las Positas College
3000 Campus Hill Drive
Livermore CA 94551-7623

Aloha,

The University of Hawai'i at Hilo is looking for transfer students who may be interested in completing their bachelor's degrees with us. We are a public institution within the University of Hawai'i system located on the Big Island of Hawai'i at the southernmost part of the state. We pride ourselves in having small classes, offering close interaction with faculty, providing opportunities for applied, hands on learning, and offering the potential to work directly in research activities with our faculty.

UH Hilo is a WUE school. The GPA requirement for transfer students is 2.8, and we have no caps on how many students we accept into the WUE program, *except* for students who are accepted into the Nursing program. Pre-nursing and all other undergraduate students who meet the GPA minimum requirements are eligible for WUE status.

Our student body consists of about 4,000 students, and most are in undergraduate programs. (We do offer an assortment of graduate programs, if you are interested.) Our campus has been rated as having the most diverse student body for a campus our size, when compared to schools across the nation. Our faculty is also very diverse, and come from a variety of countries and from schools all around the world. Our island is also very diverse, containing 11 of 13 climate zones possible on earth. Many of our classes are conducted off campus and outside in our island environment, where students have access to places off the beaten track. Recreational activities are equally diverse, ranging from mountaintop to ocean floor.

UH Hilo offers students the chance to study at any of the National Student Exchange schools, to travel to foreign countries via our Study Abroad program, and also participates in Semester at Sea, where students may visit up to 14 countries within one semester, all while living and learning on the MV Explorer classroom/cruise ship!

A full time student pays for 12 semester credits, but may take up to 18 credits at no additional expense. Especially for WUE students, we are very affordable, and with our Guaranteed Admission policy for transfer students with a GPA of 2.8 or better, your students can be assured of an amazing college experience, coupled with the chance to live in one of the most beautiful places in the world.

Please consider placing our poster where your students are most able to see it. We are happy to provide more posters if you let us know you'd like one. Please let me know if I can answer any questions about our programs or our campus. We look forward to welcoming your students to Hilo!

Aloha,

A handwritten signature in cursive script that reads 'Mahealani Jones'.

Mahealani Jones
Interim Assistant Director of Admissions
