LAS POSITAS COLLEGE

Petition for Restart from Pause Status

This petition is to be filed with a regular Application for Admission by all students who have been placed on academic or progress pause from Las Positas College. You will be advised of the action taken on your petition as soon as possible.

POLICY ON RESTART BASED ON ACADEMIC STATUS

Students who have been placed on pause from Chabot or Las Positas College may apply for restart after one semester of non-attendance. Restart is subject to approval by the Vice President of Student Services or designee.

Students on restart after a pause may be subject to limits on their classes and number of units they may take.

Students on restart who are placed on pause a second time will not be eligible for restart until after one (1) year of non-attendance.

In extreme cases in which a pause resulted from extenuating circumstances, students ineligible for a restart under the above regulations may appeal to the Vice President of Student Services for special consideration and may be approved for a restart upon approval of their petition. Such extenuating circumstances shall be those acute medical, family, or other personal problems which rendered normal academic functioning unlikely or impossible.

The Vice President of Student Services may reduce or eliminate the waiting period described above due to extenuating circumstances. Any student approved for restart via this method will follow an academic success plan developed in collaboration with a counselor.
