

Two valuable resources—the Foundation Center and GuideStar—have changed the world by giving people the information they need to do good. In 2019, these services combined to form Candid to serve nonprofits with education and resources in development relevant to charitable organizations.

As a service to the community, Tri-Valley Nonprofit Alliance and Las Positas College are partnering to provide Candid’s excellent training curriculum to nonprofits, along with access to their foundation and grant database as well as other nonprofit capacity-building tools—completely free of charge!

Register for each session at www.tvnpa.org
