Get Ready to Shake Out.

October 18, 10:18 a.m.

**Shake
Out™**

Register at www.ShakeOut.org

Colleges and Universities

At 10:18 a.m. on October 18, 2018, millions of people will “Drop, Cover, and Hold On” in The Great ShakeOut, the world’s largest earthquake drill ever! All colleges and universities are encouraged to participate in the drill (or plan a more extensive exercise).

Major earthquakes may happen anywhere you live, work, or travel. The ShakeOut is our chance to practice how to protect ourselves, and for everyone to become prepared. The goal is to prevent a major earthquake from becoming a catastrophe for you, your organization, and your community.

Why is a “Drop, Cover, and Hold On” drill important? To respond quickly you must practice often. You may only have seconds to protect yourself in an earthquake before strong shaking knocks you down, or something falls on you.

Millions of people worldwide have participated in Great ShakeOut Earthquake Drills since 2008. The Great ShakeOut is held on the third Thursday of October each year.

Everyone can participate! Individuals, families, businesses, schools, colleges, government agencies and organizations are all invited to register.

Register today at ShakeOut.org

HOW TO PARTICIPATE

Here are a few suggestions for what colleges can do to participate in the ShakeOut. Learn more at ShakeOut.org/howtoparticipate.

Plan Your Drill:

- Register at ShakeOut.org/register to be counted as participating, get email updates, and more.
- Download a Drill Broadcast recording from ShakeOut.org/drill/broadcast.
- Have a “Drop, Cover, and Hold On” drill at 10:18 a.m. on October 18. You can also practice other aspects of your emergency plan.
- Discuss what you learned and make improvements.

Get Prepared for Earthquakes:

- Check your emergency supplies and equipment; make sure they are accessible and functional.
- Ask departments to inspect facilities for items that might fall and cause injury and secure them.
- Encourage staff and students to prepare at home.
- Provide CERT training for staff and students.

Share the ShakeOut:

- Encourage students and staff to ask their friends, families and neighbors to register.
- Ask colleagues at other schools to participate.
- Find posters, flyers, and other materials for promoting the ShakeOut at ShakeOut.org/resources.
- Share photos and stories of your drill at Shakeout.org/share.

As a registered ShakeOut Participant you will:

- Learn what you can do to get prepared
- Be counted in the largest earthquake drill ever
- Receive ShakeOut news and other earthquake information
- Set an example that motivates others to participate

Important Information Regarding Conference Requests

Everyone MUST complete a Conference request form and obtain approval from your supervisor(s) BEFORE attending any conference outside of the district. Even if you don't anticipate asking for reimbursement, there are liability issues that could arise if LPC employees travel outside of the district without first obtaining the necessary approval.
