# Academic & Career Pathways

This support shell brings Academic & Career Pathway websites and supports to our students where they are most likely to find it  
**- in Canvas!**

The logo for LPC Cares, featuring a heart shape with a hand holding a graduation cap inside. The text "LPC Cares" is on the left and "We are here for YOU!" is on the right.

**Support & Belonging**

An icon of a paint palette and a paintbrush.

Visual Arts, Performing Arts, and Design

An icon of a bar chart with a line graph above it.

Business, Economics, Entrepreneurship, and Information Technology

An icon of a human head profile with gears inside.

Society, Culture, and Human Development

My Pathway Checklist

## Global Canvas Communications Coming Spring 2024

With the new Canvas support shells comes the ability to post global announcements **for everyone** above the dashboard.

Global Announcements will be used to raise awareness of important information that all students will benefit from, including:

- New support shell
- Important Dates and Events
- Campus supports

These will appear above the first row of courses in the Canvas Dashboard and designed to not block visibility of the first row.

# Ellucian Advise

Chabot and LPC collaborated on Ellucian Dashboards that would make supporting our students by Pathway easier by providing information on:

- Student Education Plan information (comprehensive, abbreviated, etc.)
- Students in a Declared Major
- Degree Status (Applied for, Sought but not awarded, Degree completed but not applied, Awarded)
- Students in a Learning Community or Special Programs
- Math/English/ESL Completion Dashboard for AB 1705/928 Compliance

We are actively communicating with District about how/when we can have these created.

**Supporting Students in our Academic & Career Pathways**
