Academic Standards

It is the policy of the Las Positas College Academic Senate that all academic courses be taught at a post-secondary level, particularly courses for which Las Positas College has articulation agreements with four-year institutions. When a course is articulated, it assures that students completing the course have attained certain levels of academic skill and knowledge comparable with the equivalent course at a four-year institution.

It is understood that students enter Las Positas College with varying levels of scholarship and achievement. Because of this, **we provide resources (tutoring, support courses, office hours/student hours, etc.) to help students** master their college coursework. It is the student's responsibility to take appropriate action to ensure their success; **faculty are expected to maintain course content at the college-level.** Course content and objectives are reflected in the course outline on file with the Office of Academic Services, 1600, and are based on the academic foundation students are expected to have upon entering the course.
