

New program proposal: Career Exploration and Preparation Certificate

- According to the LPC Curriculum Handbook “CDCP certificate of achievement for workforce preparation.”

PSLO: Upon completion of the Career Exploration and Preparation Certificate, students will be proficient in career exploration tools, occupational research, and able to apply for jobs in their desired field.

SLOs for NPCN 209 Career/Major Exploration:

- Upon completion of NPCN 209, the student will be able to articulate their goal or major.
- Upon completion of NPCN 209, the student will be able to identify campus resources, and navigate on-line platforms, for career exploration.

SLOs for NPCN 211 Career Preparation:

- Upon completion of NPCN 211, the student will be able to search for available jobs in their field using at least two on-line platforms.
- Upon completion of NPCN 211, the student will have job applications tools such as interview skills, and creation of a resume and LinkedIn profile

Need or demand: While our college offers career services through the Career Center and PCN 10 many students are not aware of these opportunities. This program is designed to introduce students to what resources are available and help them create a plan for further exploration. Counseling faculty predict this will help increase enrollments in PCN 10 and see the need for this program on campus.
