

Hello, it is time for the Academic Fall Fundraiser to raise money for Academic Senate Student Scholarships and also to help with some of the Classified Appreciation Day expenses. Last year we raised over \$1880 for scholarships and our Classified Appreciation Event! This year we have decided not to include the wine raffle in the fundraiser because we want to focus on this as an opportunity for faculty to give back to our students. We recommend a \$20 donation but will gladly accept larger amounts or any amount you can spare. We now have two more ways to pay in response to requests from all of you. Thank you for the feedback so we can best meet your needs:

- You can donate directly through your senator, Catherine Suárez, or Ashley Young or through the QR Code to the Foundation.

Checks should be made out to **LPC Foundation** with "**Academic Senate scholarship**" and **your division in the memo line**. To receive "credit" for your division please send checks to your senator, Catherine Suárez, or Ashley Young via campus mail so we can log them, if you do not use the QR Code. The Foundation issues tax receipts for scholarship donations as they are a 501(c)3 nonprofit organization.

- You can also donate through Venmo to Ashley Young (@nutmeg2000) or Ashley McHale.

To ensure all donations are being tracked properly, please use this [form](#) to log all donations. Please make sure this information is on your check/in notes: **Your initials (or any 2 letters you choose if you wish to stay anonymous) and your division**. You can view the race and confirm that your donation is logged by looking at this [google sheet](#)

If you send money/checks directly to your senator, Catherine Suárez, or Ashley Young, please email that person so they know to look for the donation. Please include your division so we know which division to credit. *Remember, the division with the highest ratio of contribution amounts to FT faculty will win the challenge and have a scholarship awarded on behalf of their division.* You can check out the [google sheet](#) at any time to see how the race is going.

These are the proposed fundraising goals based on the number of full-time faculty in each Division (multiplied by \$20.00 per person.)

STEM (33) \$660

A & H (31) \$620

BSSL (25) \$300

Counseling (13) \$260

PATH (11) \$220

Thank you,
Catherine Suárez
Academic Senate Treasurer
