- Caring Campus

- Professional Development & Wellness

RECENT CLASSIFIED SENATE BUSINESS & ACTIVITIES

- We participated in the two-day Welcome Back tabling event on August 30 & 31. This event was coordinated by the amazing Student Government leaders. This event was truly a huge success and had an amazing time representing the LPC Caring Campus commitment at our campus. It was so great to see so many students on campus and the smiles for miles even if it was 100 degrees outside.
- At our Town Meeting this month the “What’s Right at LPC” award was presented to Sarah Anderson, who is the Outreach Specialist on our Campus. This award is given to a person who goes above and beyond to support our students by implementing the Caring Campus behavior commitments.
- During our last Senate meeting we approved to send five Classified Professionals to the 4CS Classified Leadership Institute (CLI) conference in Riverside in June 2024. We are so excited for more Classified to gain more Professional Development from this valuable conference.

We also discussed the next steps we would like to take to implement a Classified Chair position on the Facilities Committee.

Also, we welcomed four new Classified Professionals to our team this past month.

UPCOMING CLASSIFIED SENATE BUSINESS & ACTIVITIES

- We will be participating as the Classified Senate & Caring Campus team during the *2.2 for 22 Challenge for Veterans*. This event will begin on October 1 – 21, 2023. The main event will be held on Saturday, October 21st. The primary goal of the 2.2 for 22 events is to raise awareness about the distressing fact that 22 veterans succumb to suicide each day. We hope that you will consider participating as well.
