STUDENT SUCCESS FACTORS

What would you say has been the one thing most important to your success as a student?

STUDENT SUCCESS FACTORS

Directed and Focused

What helped you decide on your educational and career goals and what keeps you focused on achieving your goals?

STUDENT SUCCESS FACTORS

Connected and Engaged

When have you felt a sense of belonging at the college and what made you want to actively participate in your learning?

STUDENT SUCCESS FACTORS

Nurtured and Valued

Who at the college has shown you that they care about you and your success and/or made you feel that you have something of value to offer?

STUDENT SUCCESS FACTORS

How can different members of the college community help you in your efforts to be a successful student and what can your teachers/counselors do in particular to help you be a successful student?

STUDENT SUCCESS FACTORS

Questions for our panel?
