Kudos to Students!

Two of our students, Bethany Wallace and Mario Jaramillo, have won "Star Student Contests" on NuResume.com. NuResume is a networking site that matches students with jobs and internships in the area. Mario won the Finance/Accounting category, and Bethany won the Marketing/Entertainment category. The prize includes a trophy and a guaranteed interview with a company in that category. Photography Exhibit

The Bay Area Heart Gallery

Please visit Building 2400 to view an extraordinary professional photography exhibit. This exhibit has been displayed throughout the Bay Area, and Las Positas College is the first venue in the Tri-Valley area.

The Bay Area Heart Gallery consists of photographs of children and youth living in foster care in need of adoptive families and permanent lifelong relationships. The Heart Gallery also features portraits of adoptive families and their children. These families reflect the diversity of adoptive families across the Bay Area.

For more information, please contact Anne Loyola.
