Las Positas College | Online

Summer Camp 2020

Recommended for students entering
10th or 11th grade in Fall 2019
with no prior experience

\$100

Is Digital Media your career or your passion? During this camp, you'll invent a fictional product and bring it to life using several 2D & 3D creative tools such as Adobe Photoshop, TinkerCAD, and Adobe Spark. At the end of the camp, you leave with a complete website to showcase your invention to the world!

LPSG Update

- Good afternoon everyone! I hope you are safe and doing well. I am currently taking a Statistics test so wish me luck!
- Before I begin my report, I'd like to mention that although this transition to online classes has been difficult for the majority of us students, the support that you all have extended to us has definitely made this situation a bit easier to manage.
- Last month our student government wasn't able to host The Market due to the shelter in place, but fortunately, on May 19th from 1-3 PM in the Student Life Office (RM 1643), we will be having one. Please let your students know about this opportunity and remind them to wear a mask and gloves. Although I'm sure we will be providing some as well.
- Elections for the 2020-2021 Executive Board happened a few weeks ago and the new officers will be sworn in this week so you will be meeting them in the Fall.
- Given that this is my last report as the student government president, I'd like to finish by expressing my gratitude. Thank you to every individual here at Las Positas as well as the District Office, who has made this journey worthwhile. I truly appreciate all the support, guidance, and knowledge that I've received thus far. Thank you!
