# College Facilities Master Plan (2019)

## Major Approved Projects

- New Academic Support and Office Building
- Public Safety Complex/Advanced Manufacturing and Transportation
- Horticulture Facility
- Viticulture Facility
- Faculty Office Relocation
- Academic Services & Student Services Renovations
- Roadway and Infrastructure Improvements
- Water Booster Systems Project
- Emergency Call Stations/New ECS Server
- IT upgrades

# PROJECT PROGRESS REPORT

## B2100 New Academic Support & Office Building

LAS POSITAS COLLEGE  
October 27, 2021

### Project Team

Architect: LPAS

Construction Manager: Swinerton Management & Consulting

Contractor: Flint Builders, Inc.

### Project Description:

The new Academic Support and Office building is being built in the location of old buildings 2100 & 2200. The project consists of the following elements and programs: English Center incorporating classrooms, computer lab, tutoring and study areas. Math Center incorporating classrooms, labs and the Math X program. Computer Sciences Center including computer labs, networking, maker space and open labs with the expanded of library functions including reference desk, study areas, computer lab, expanded staff offices and library operational support spaces. Faculty Offices, Dean's suite and support spaces will also be in the building.

### Project Update:

- Notice to Proceed issued, Construction Mobilization started on June 21, 2021
- Demolition, site grading, lime treatment, building pad, site underground utilities completed
- Concrete footings, underground plumbing & electrical, HVAC site piping in progress
- Slab electrical floor boxes, vapor barrier, slab on grade concrete, site weatherization upcoming
- Approved schedule Project Completion Summer 2023

Occupancy: Fall/Winter 2023

# PROJECT PROGRESS REPORT

## Public Safety Complex/Advanced Manufacturing And Transportation

LAS POSITAS COLLEGE

October 27, 2021

### Project Team

Architect: Lionakis

Construction Manager: Vanir Construction Management, Inc.

Contractor: Overaa Construction

### Project Description:

The new Public Safety Complex (PSC) and Advanced Manufacturing and Transportation (AMT) building will be co-located to allow for shared linkages between the various programs, classrooms and event spaces. The building will be built near the existing sports fields in the northeastern portion of the upper campus. The PSC project consist of the following elements and programs: EMS Simulation Lab and Situation Rooms, and Fire Training with Class A burn areas. The AMT project will include an automotive tech facility, welding lab, and classroom and lab spaces to provide training of advanced manufacturing processes. Faculty Offices, Dean's suite and support spaces will also be included in the project.

### Project Update:

- Notice to Proceed was issued on June 16<sup>th</sup>, 2021.
- Clearing and rough grading of the site completed.
- Underground utilities, foundation formwork, foundation concrete, and foundation / slab on grade rebar install are underway
- CMU and structural steel are forthcoming.

Occupancy: Fall/Winter 2023

# PROJECT PROGRESS REPORT

## AG SCI: Horticulture Facility Project

LAS POSITAS COLLEGE

October 27, 2021

### Project Team

Architect: ATI Architects and Engineers  
Construction Manager: Roebbelen (RCMS)  
Contractor: Overaa Construction

### Project Description:

The New Horticulture Facility will replace the facilities currently located in Building 800 and located outdoors and be located near the Maintenance and Operations facility and the Track and Field at the upper NE part of campus. The project includes, additional parking for a 75 space parking lot for faculty and students. The Horticulture Facility includes a classrooms, Labs, offices and resource area, a greenhouse, shade structures. The outdoor growing areas will have soil bins, equipment storage and an outdoor learning patio.

### Project Update:

- Completed site grading & underground utilities
- Poured concrete for Building A & B slab, concrete piers for overhang & parking lot curb and gutters
- Erected Building A structural steel. Erecting greenhouse structure.
- Building A exterior & interior in progress
- Procured shadehouse structure.

# PROJECT PROGRESS REPORT

## AG SCI: Viticulture Facility Project

LAS POSITAS COLLEGE

October 27, 2021

### Project Team

Architect: tBP/Architecture, Inc.

Construction Manager: Roebbelen (RCMS)

Contractor: TBD

### Project Description:

The New Viticulture Facility will replace the existing facilities currently located in/outside of Building 800. The Viticulture Facility will be located at the main entrance off the Campus Hill Road. This new roadway will connect the new facilities into the existing campus. The new facility will be developed at a higher elevation allowing for expansive views. The project will include general site grading and utility infrastructure; New Roadway and Pedestrian pathways connecting to the existing campus. A Visitor Center with Tasting room, visitor Parking and clear paths of travel, A Winemaking Facility including classrooms and Labs, office and resource areas, Crush pad, Equipment storage, cold storage, and an Outdoor Patio.

### Project Update:

- Design Team completed and submitted 100% Construction Document (CD) Phase.
- District is reviewing submitted documents.
- DSA submission end of October 2021

Occupancy: TBD

# PROJECT PROGRESS REPORT

## Architectural Barrier Project

LAS POSITAS COLLEGE  
October 27, 2021

### Project Team

Architect: Steinberg Hart

Construction Manager: Roebelen (RCMS)

Contractor: J.D. General Construction, Inc.

### Project Description:

Improvements to accessible counters, safety and security of service windows at the Student Services & Administration Building. Service windows include: Information Desk, Student Services Center, Financial Aid and Admission and Records.

### Project Update:

- Counseling Services and Admissions & Records service windows are completed
- Completed acoustical fins for Financial Aid service windows.
- New glass is installed and completed
- Information Desk countertop installation in progress, followed by install of new glass.

Occupancy: Fall 2021

# PROJECT PROGRESS REPORT

## Domestic Water Booster System Project

LAS POSITAS COLLEGE

October 27, 2021

### Project Team

Engineer: Sandis

Construction Manager: Roebbelen (RCMS)

Contractor: Mountain Cascade, Inc.

### Project Description:

The project is intended to provide a booster pump system to raise the overall campus domestic water pressure. Pressure reducing valves will be installed at selected buildings to prevent overpressure of the plumbing fixtures.

### Project Update:

- Mountain Cascade has completed the majority of the pressure reducing valves
- The booster pump & enclosure installed. Booster pump startup completed
- Currently, working on the last two pressure reducing valves to complete the project

Occupancy: Fall 2021

# PROJECT PROGRESS REPORT

## B1690 Academic Services Renovation

LAS POSITAS COLLEGE

October ,27 2021

### Project Team

Architect: Steinberg Hart

Construction Manager: Roebbelen (RCMS)

Contractor: J.D. General Construction, Inc.

### Project Description:

To enhance the functionality of the Academic Services Area. The improvements include: Expansion of the VP's office, to provide meeting space, three additional offices and smaller storage area, a more inviting reception area with the central area providing space to display collateral materials

### Project Update:

- B1690 suite is complete.
- The Notice of Completion was approved in May Board Meeting.

**Occupancy:** Complete

# PROJECT PROGRESS REPORT

## Temporary Office Complex / Faculty Office Relocation Village

LAS POSITAS COLLEGE

October 27, 2021

### Project Team

Architect: LPAS

Construction Manager: Vanir Construction Management, Inc.

Contractor: Sausal Corporation

### Project Description:

The project includes providing modular buildings to accommodate ~ 75 faculty offices, conference rooms, support spaces and a modular restroom unit to support the occupants. A raised walkway will be provided to connect the modular buildings and restroom unit.

### Project Update:

- Site Contractor Notice of Completion issued at July 2021 Board
- Modular Contractor Notice of Completion issued at September 2021 Board

**Occupancy:** Complete

# PROJECT PROGRESS REPORT

## Emergency Call Station Project

LAS POSITAS COLLEGE

October 27, 2021

### Project Team

Architect: Catalyst Consulting Group, Inc.

Construction Manager: Swinerton Management & Consulting

Contractor: Electronic Innovations

### Project Description:

Includes installation and programming of new emergency call stations and retrofitting of existing call stations at both Chabot and Las Positas campuses. The project also includes the installation of a new ECS server at the Las Positas Campus along with the interfacing of the servers to the existing fire alarm control panels.

### Project Update:

- Boring at Chabot campus complete, and exterior conductors pulling in progress
- Contractor removing Phase 3 and Phase 4 towers at Chabot campus

Occupancy: Fall 2021

# Spring 2022

## **Vaccination Mandate – Proof of Vaccination**

- Needed to register for any classes with an in-person component or to access campus services
- No proof is needed if students are enrolling in on-line classes and utilizing on-line services only
- Student Communications
  - Current students: Email (zone mail)
  - New students: After CCC Apply
  - Vaccination Webpage
  - Banners & Campus Signage
- Registration begins November 9<sup>th</sup>

# Spring 2022

**In progress:**

Campus Check-in Location(s):

- College Advisory Workgroup
  - Operational process for students/visitors/guests to check-in to be cleared to access the campus

# Spring 2022

## Return to Campus Plan:

January 3<sup>rd</sup>, 2022

- Vaccination Mandate in Effect
- All college employees will fully return to campus
- Campus Meetings (hybrid)
- Campus Events & Activities
- Field trips/Travel
- Commencement
- Follow Alameda County Guidelines Regarding Masking Requirements

# President's Speaker Series 2021 - 22

## Chloe O. Davis

December 7, 2021  
3:00pm – 4:30pm

*“Together We Rise: Choosing the Right Language to Create the Inclusive Communities We All Desire”*

# LET'S CONNECT

## New Faces on Campus

Kiley Zieker

Senior Administrative Assistant - PATH

Research Planning and Institutional Effectiveness

# Status of Institution-Set Standards and Stretch Goals - Student Outcomes -

---

RAJINDER S. SAMRA

Director Of Research, Planning, and Institutional Effectiveness

Town Meeting - November 3, 2021

# Definitions

---

**Institution-Set Standard:** Meet or exceed 95% of five-year rolling average on a given metric.

**Stretch Goal:** Varies by type of outcome. Meet or exceed 101%, 105%, or 110% above the five-year rolling average on a given metric.

# Four Student Outcomes/Metrics

---

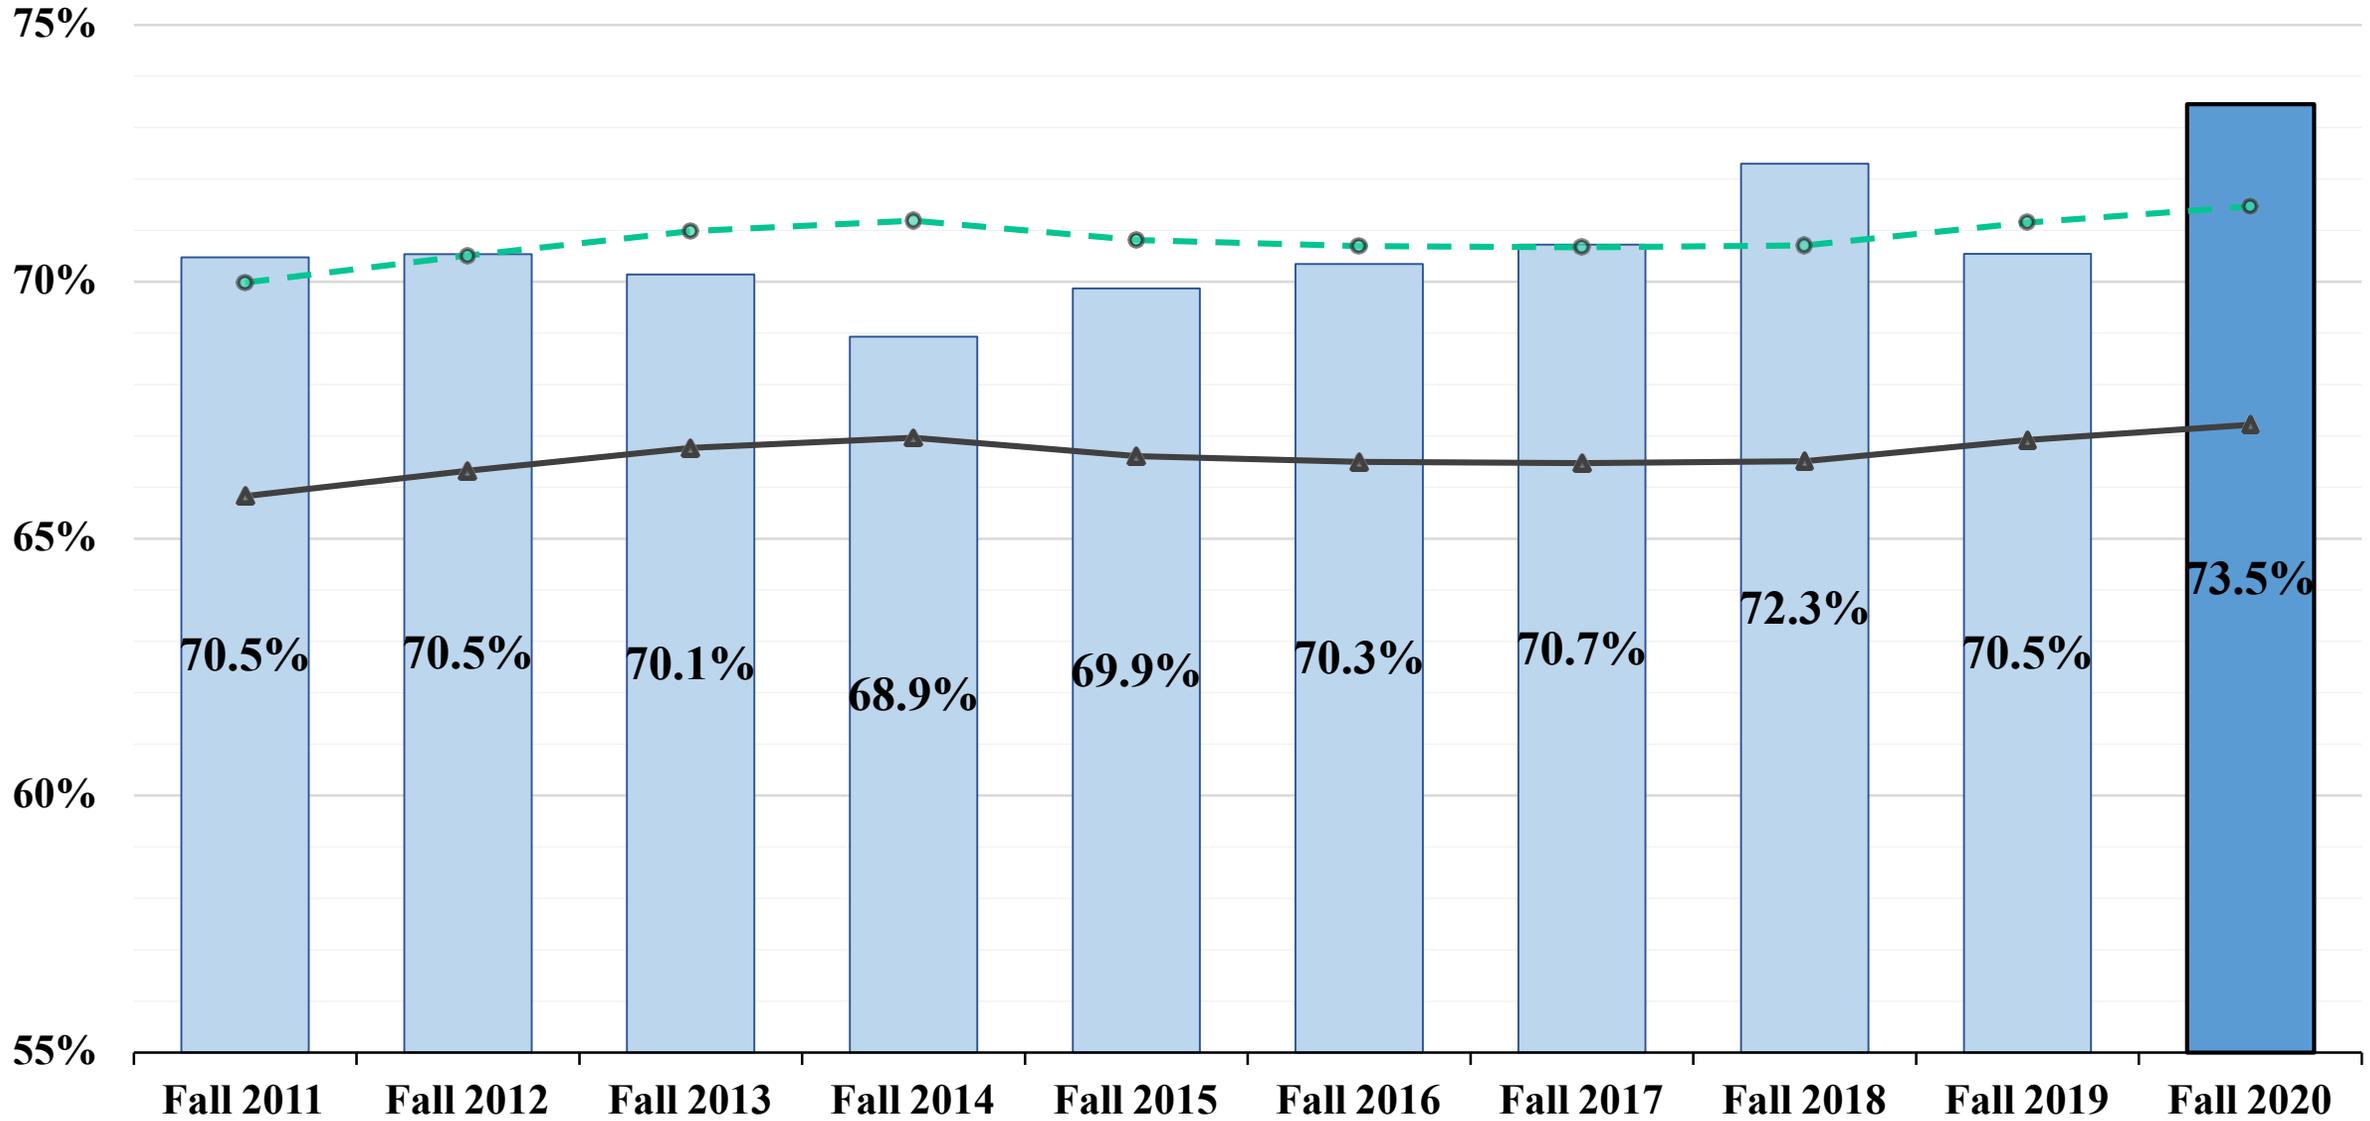

- Course Completion Rates
- Degree Completion (headcount)
- Certificate Completion (headcount)
- Transfer Completion (to CSUs/UCs)

# Course Completion Rates

---

# LPC Course Completion Rates

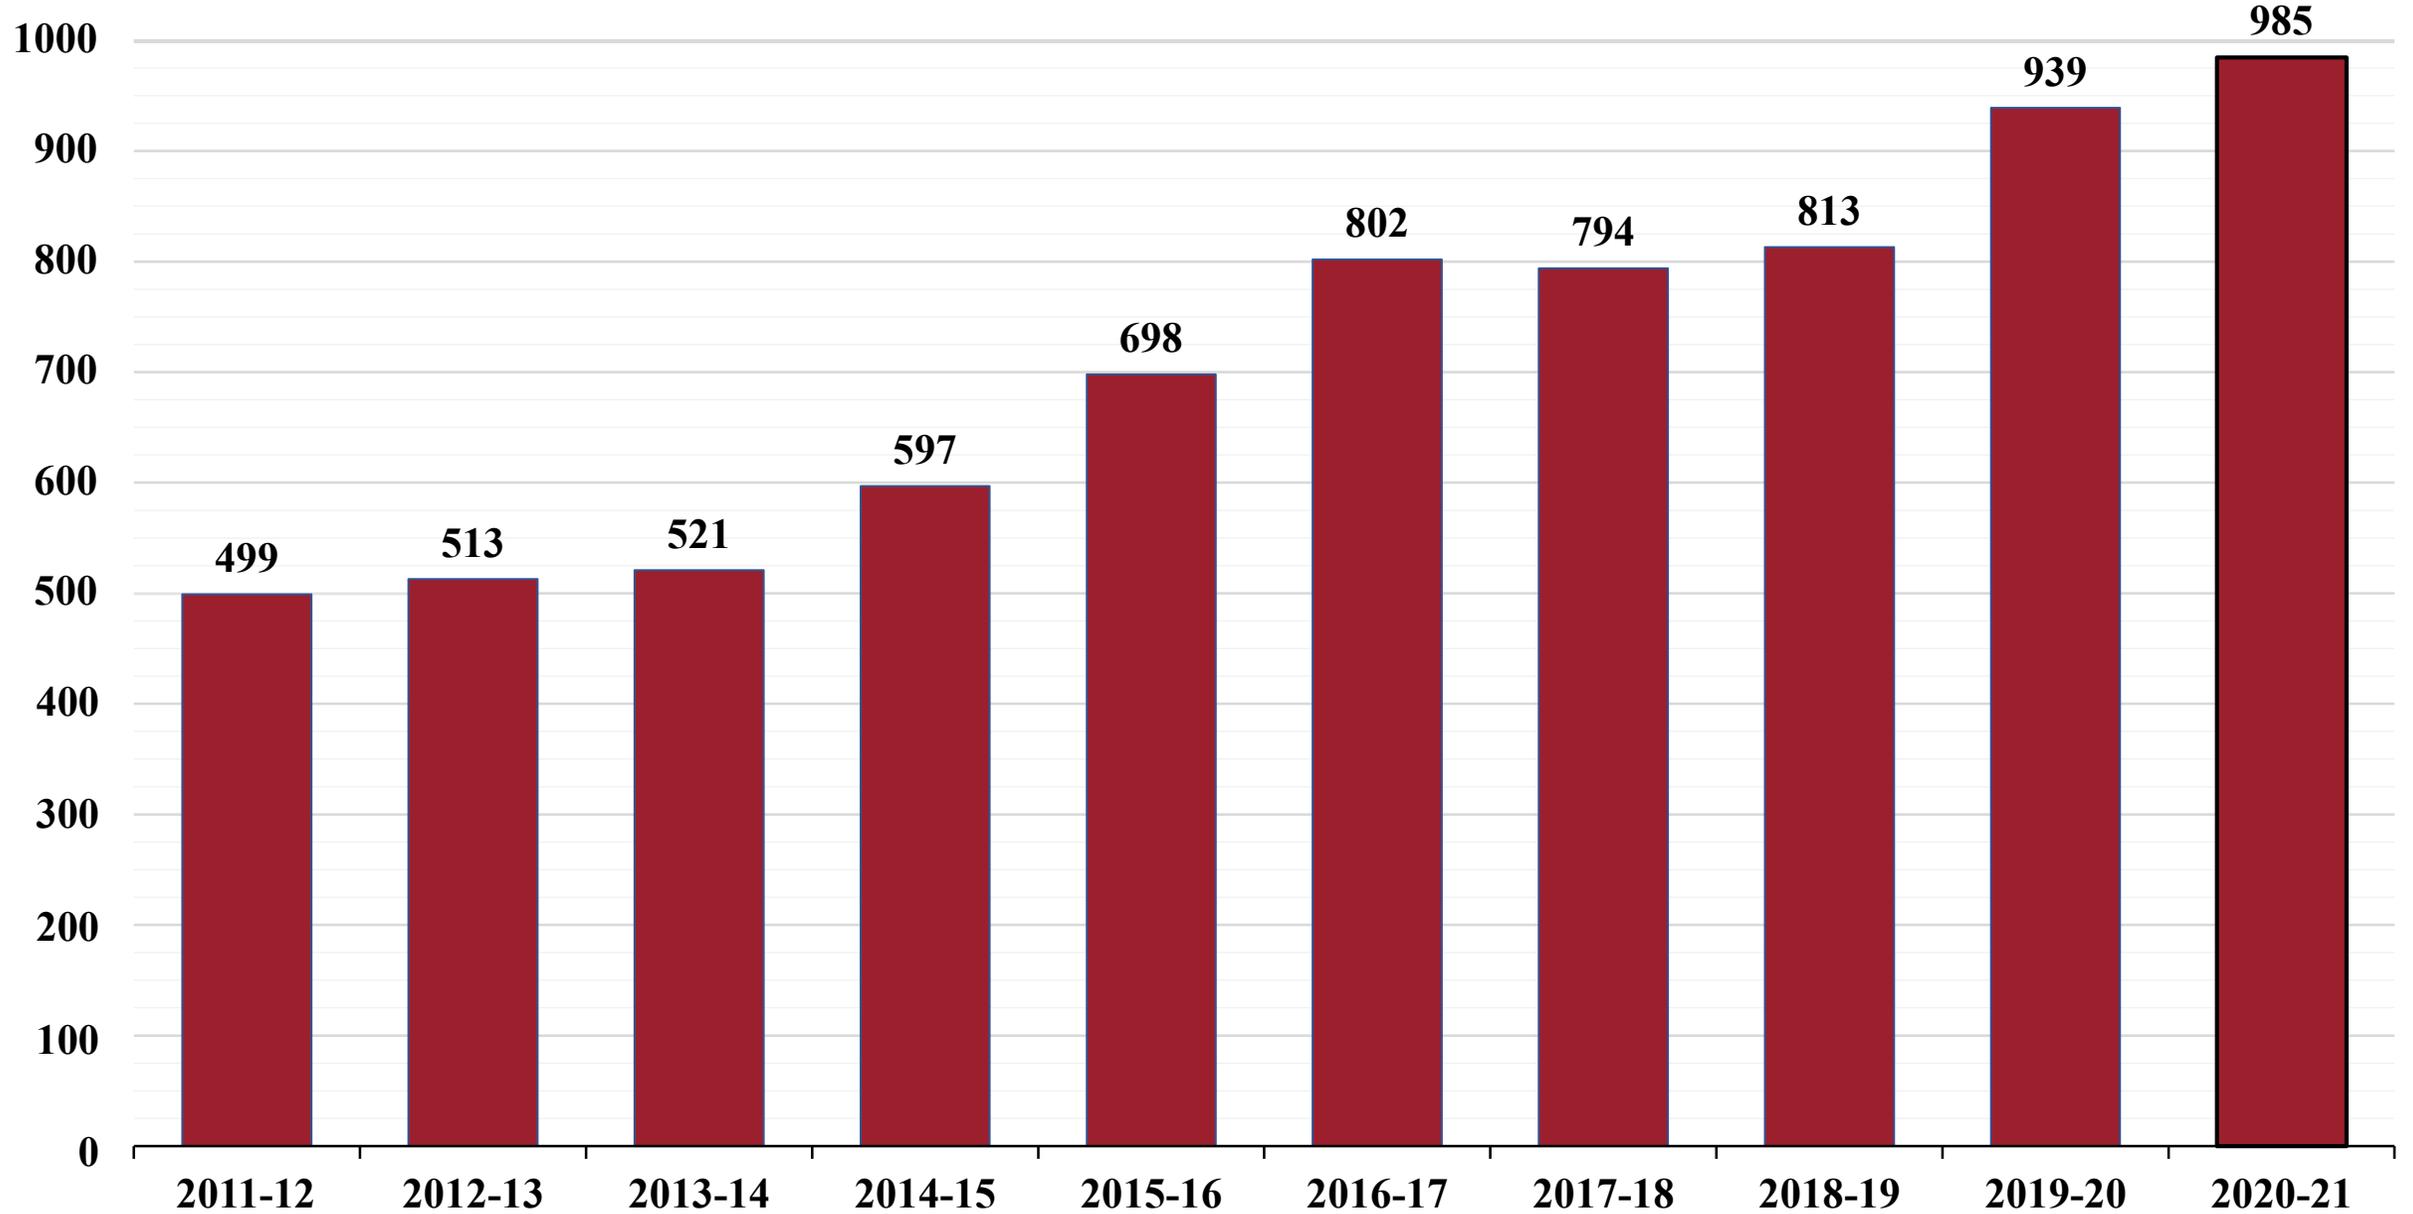

Course Completion Rate    Institution-Set Standard (95%)    Stretch Goal (101%)

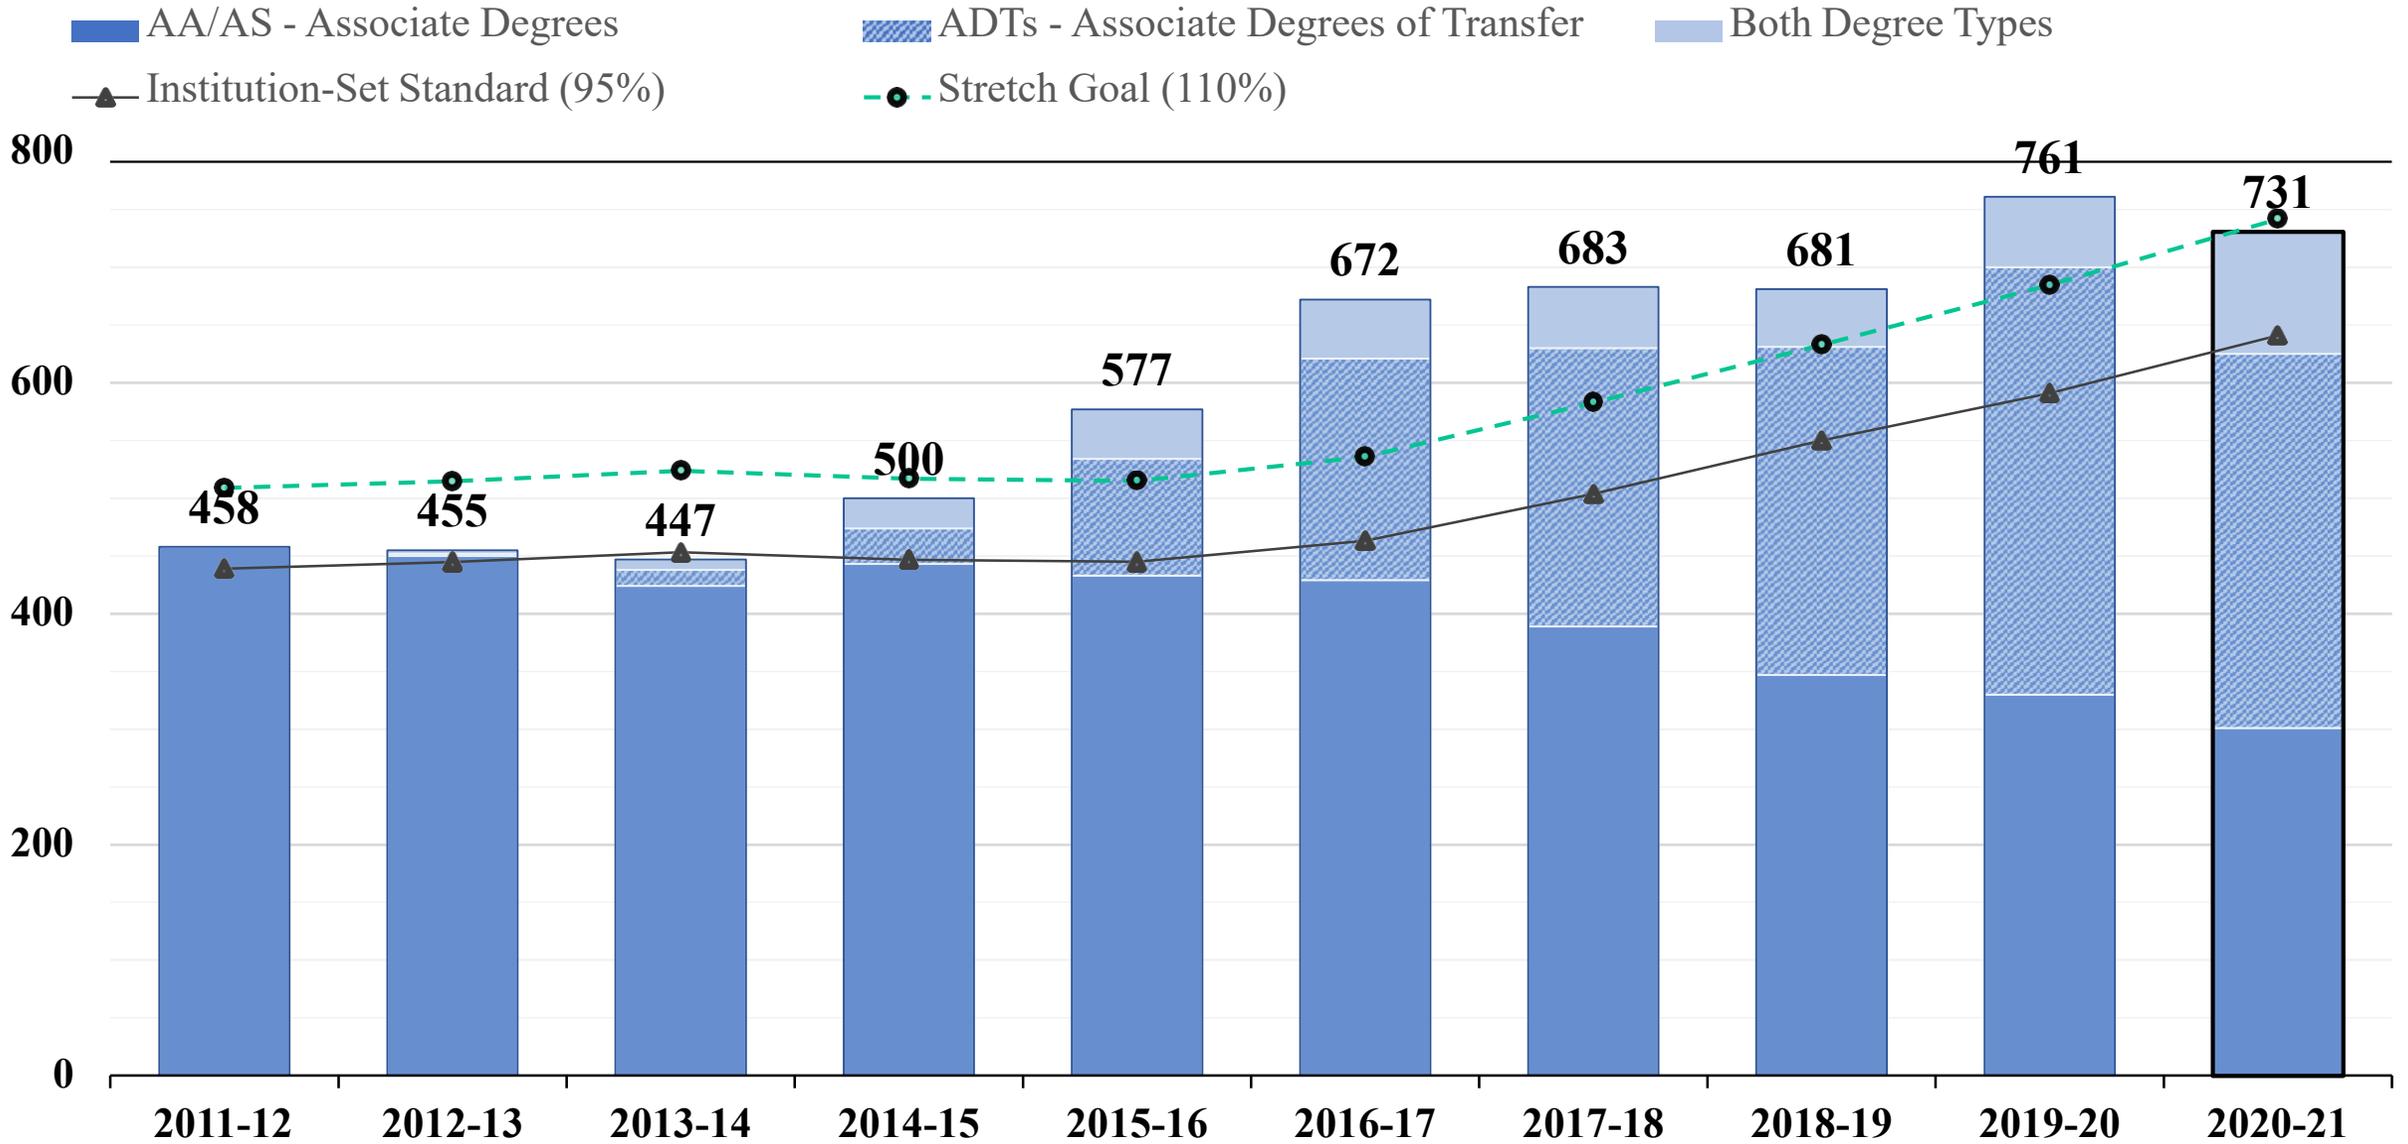

# Degree Completion

---

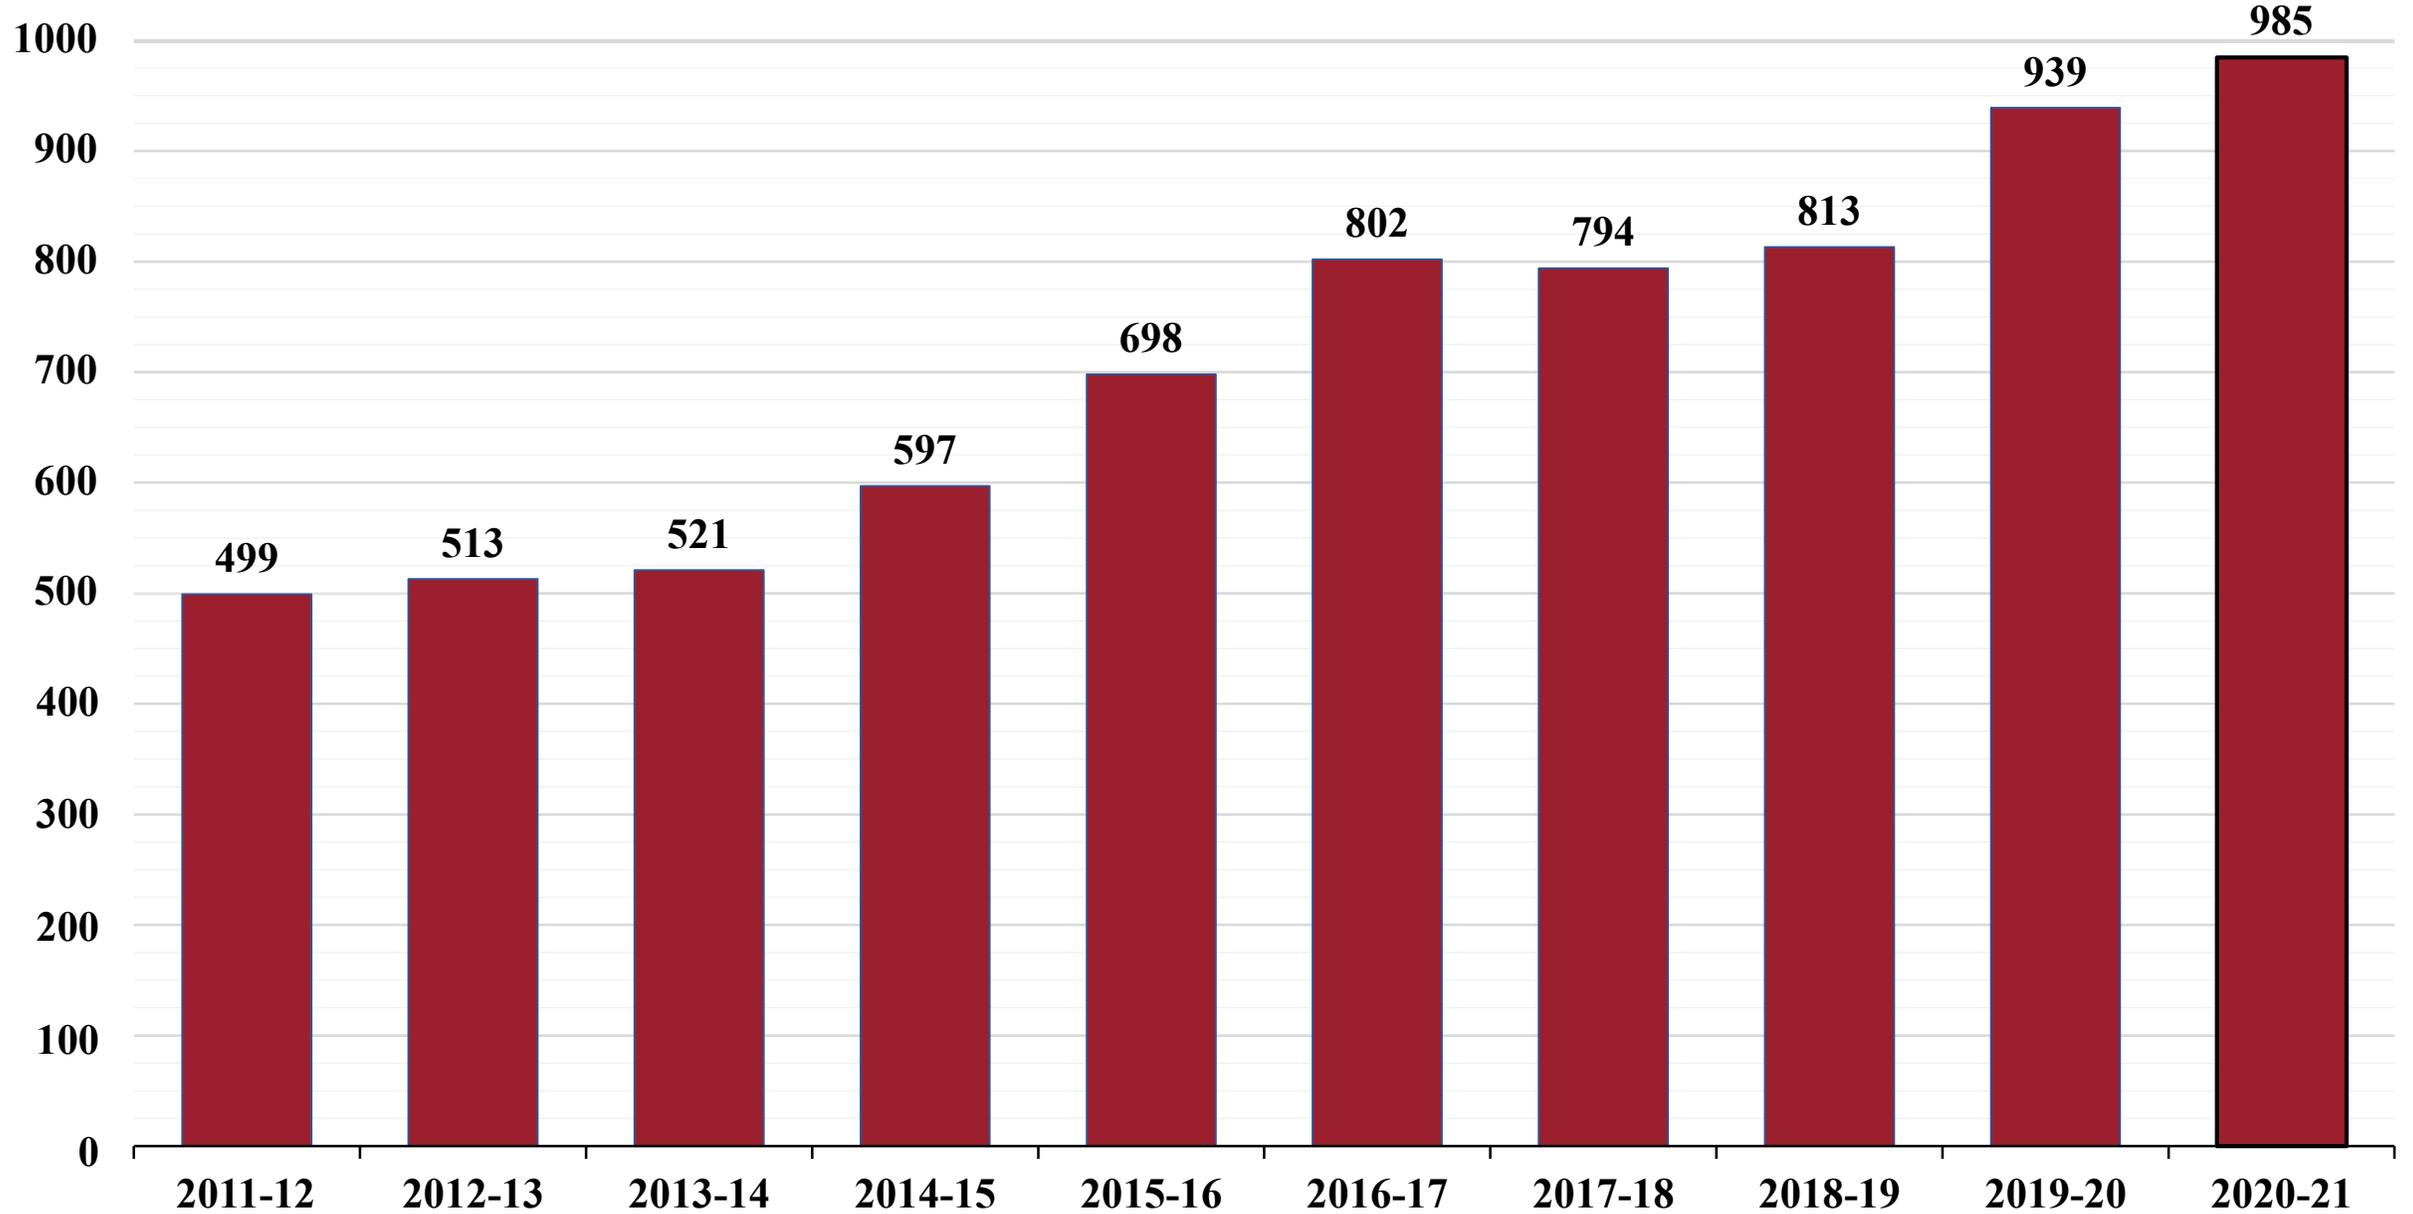

# LPC Associate Degrees Awarded

# LPC Degree Completions (Headcount)

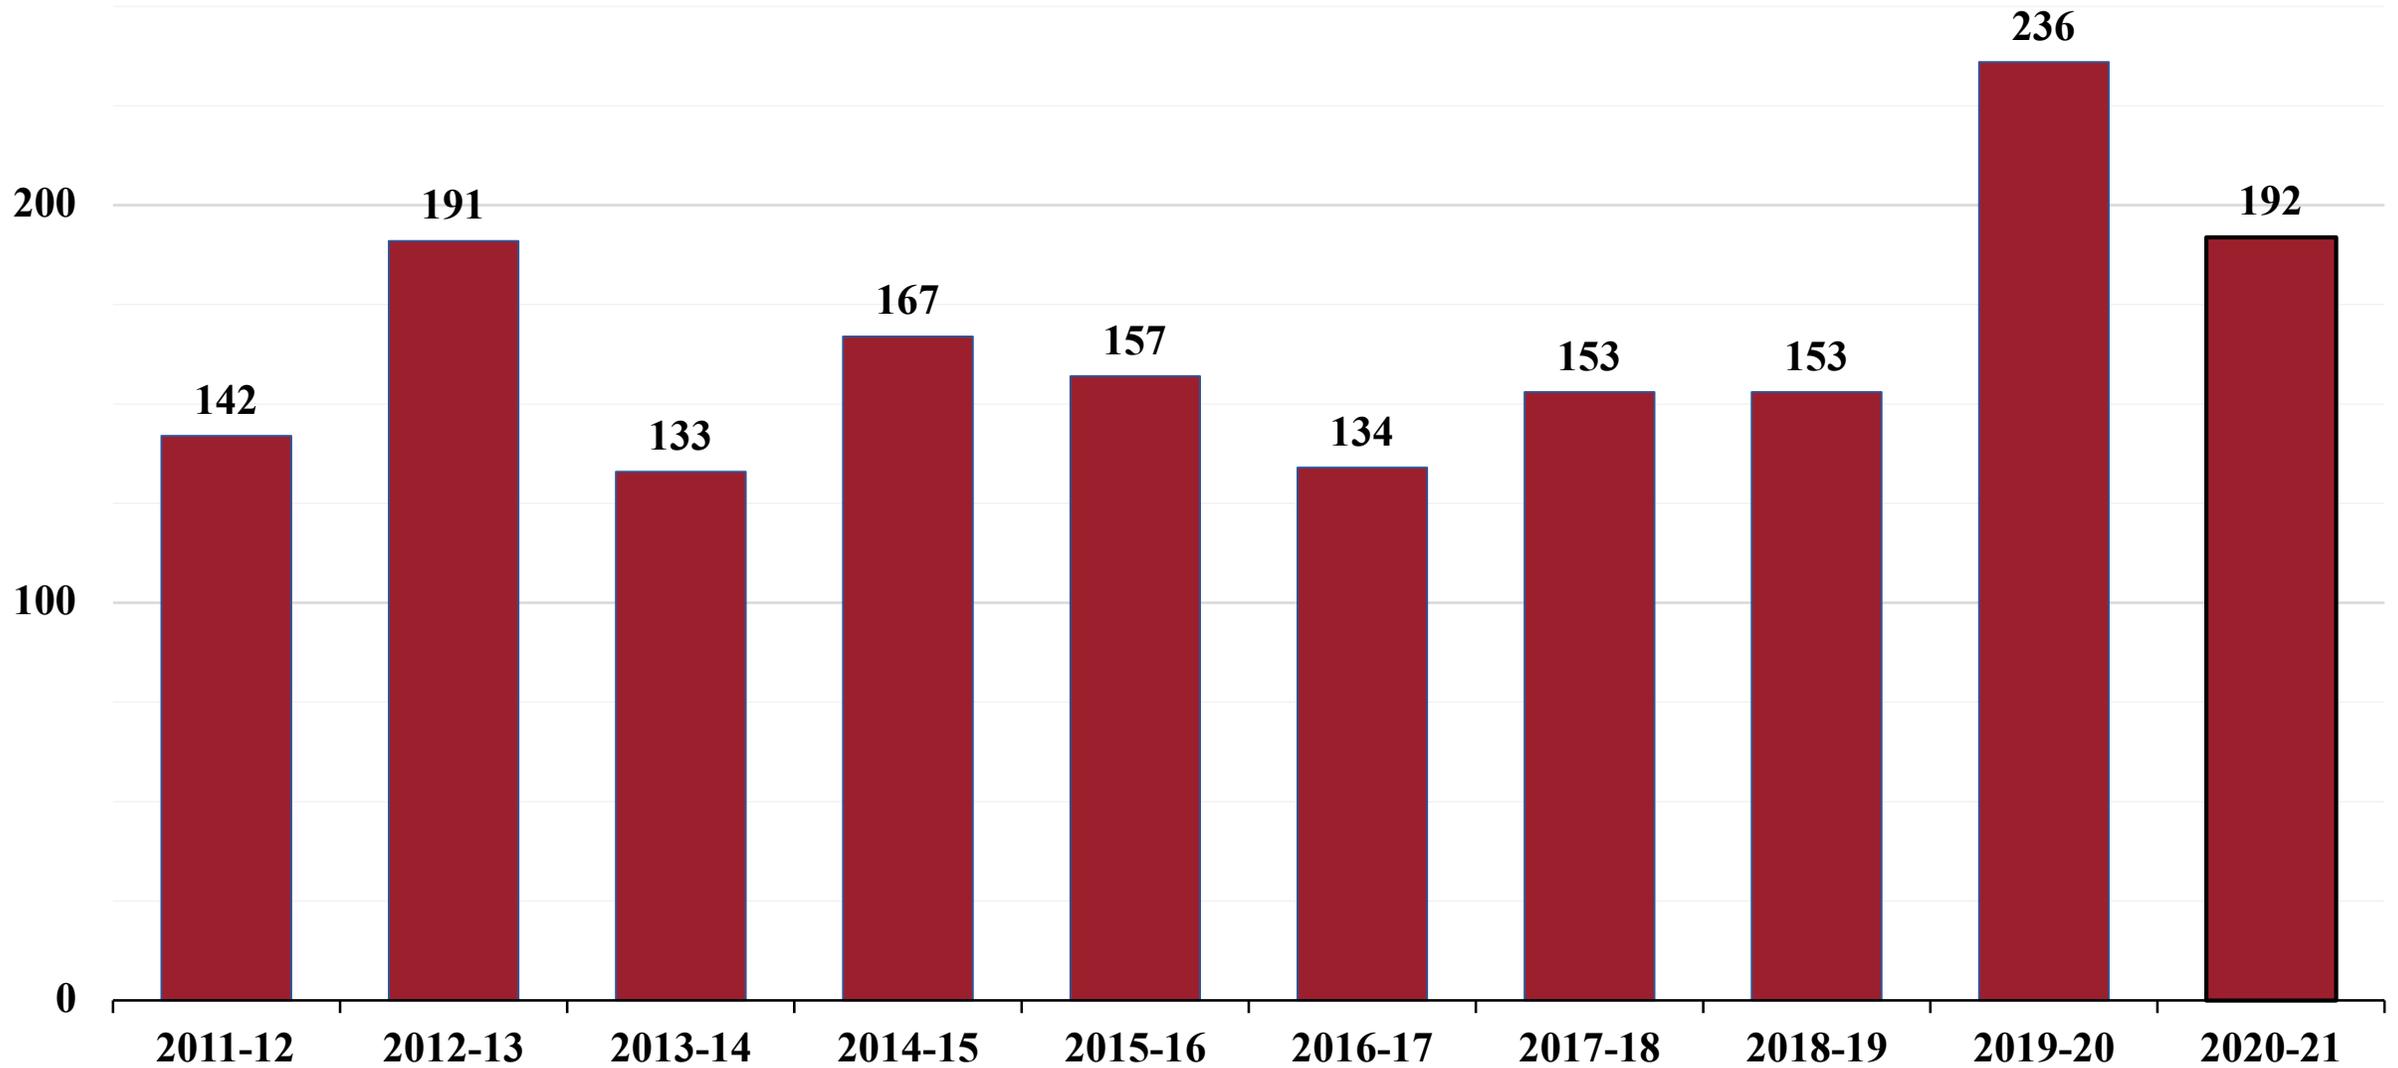

# LPC Associate Degrees Awarded

# Certificate Completion

---

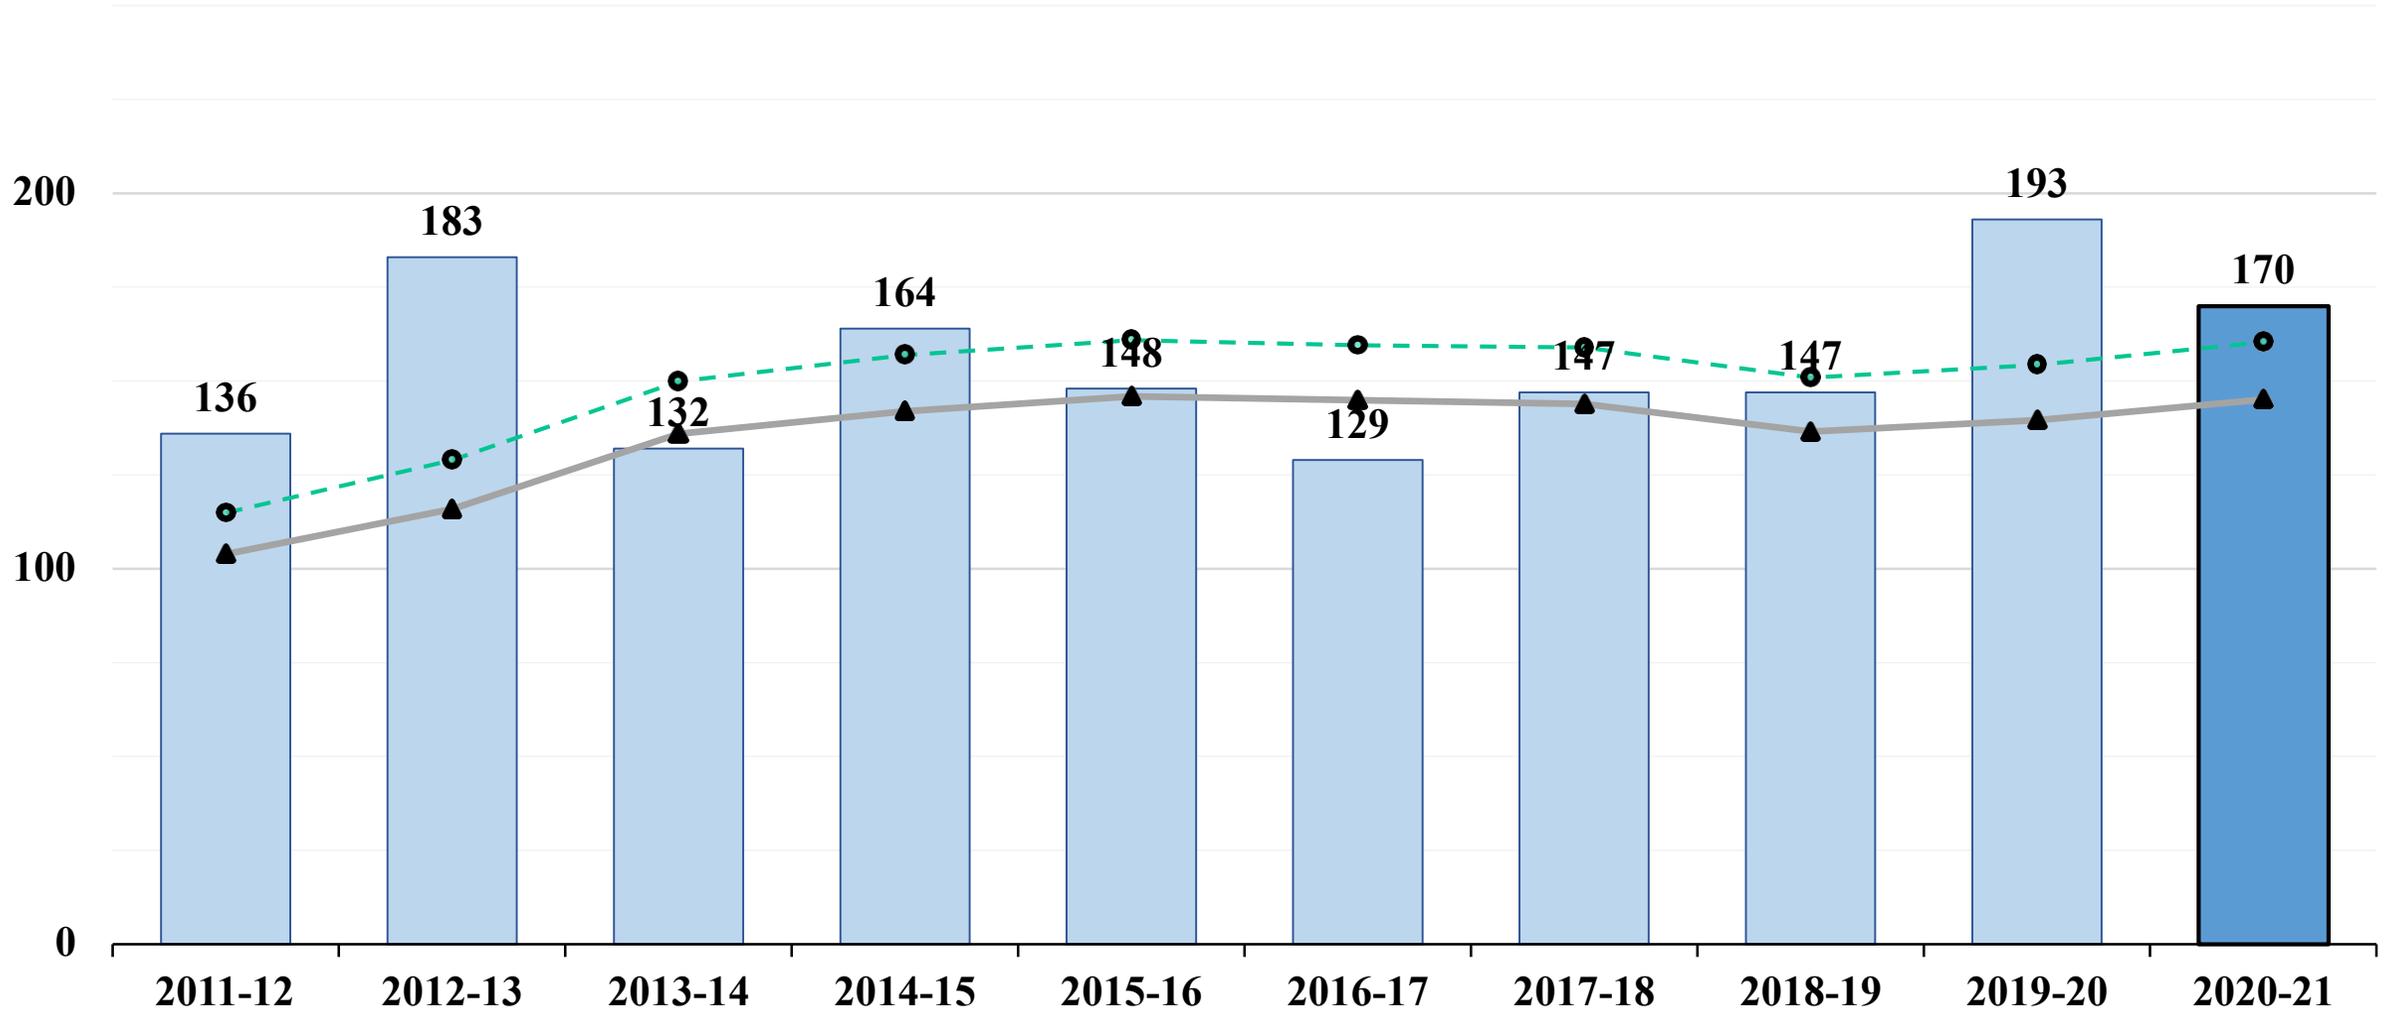

# LPC Certificates Awarded

Note: Excludes CSU GE Breadth and IGETC

# LPC Certificate Completions (headcount)

Actual Completions    Stretch Goal (105%)    Institution-Set Standard (95%)

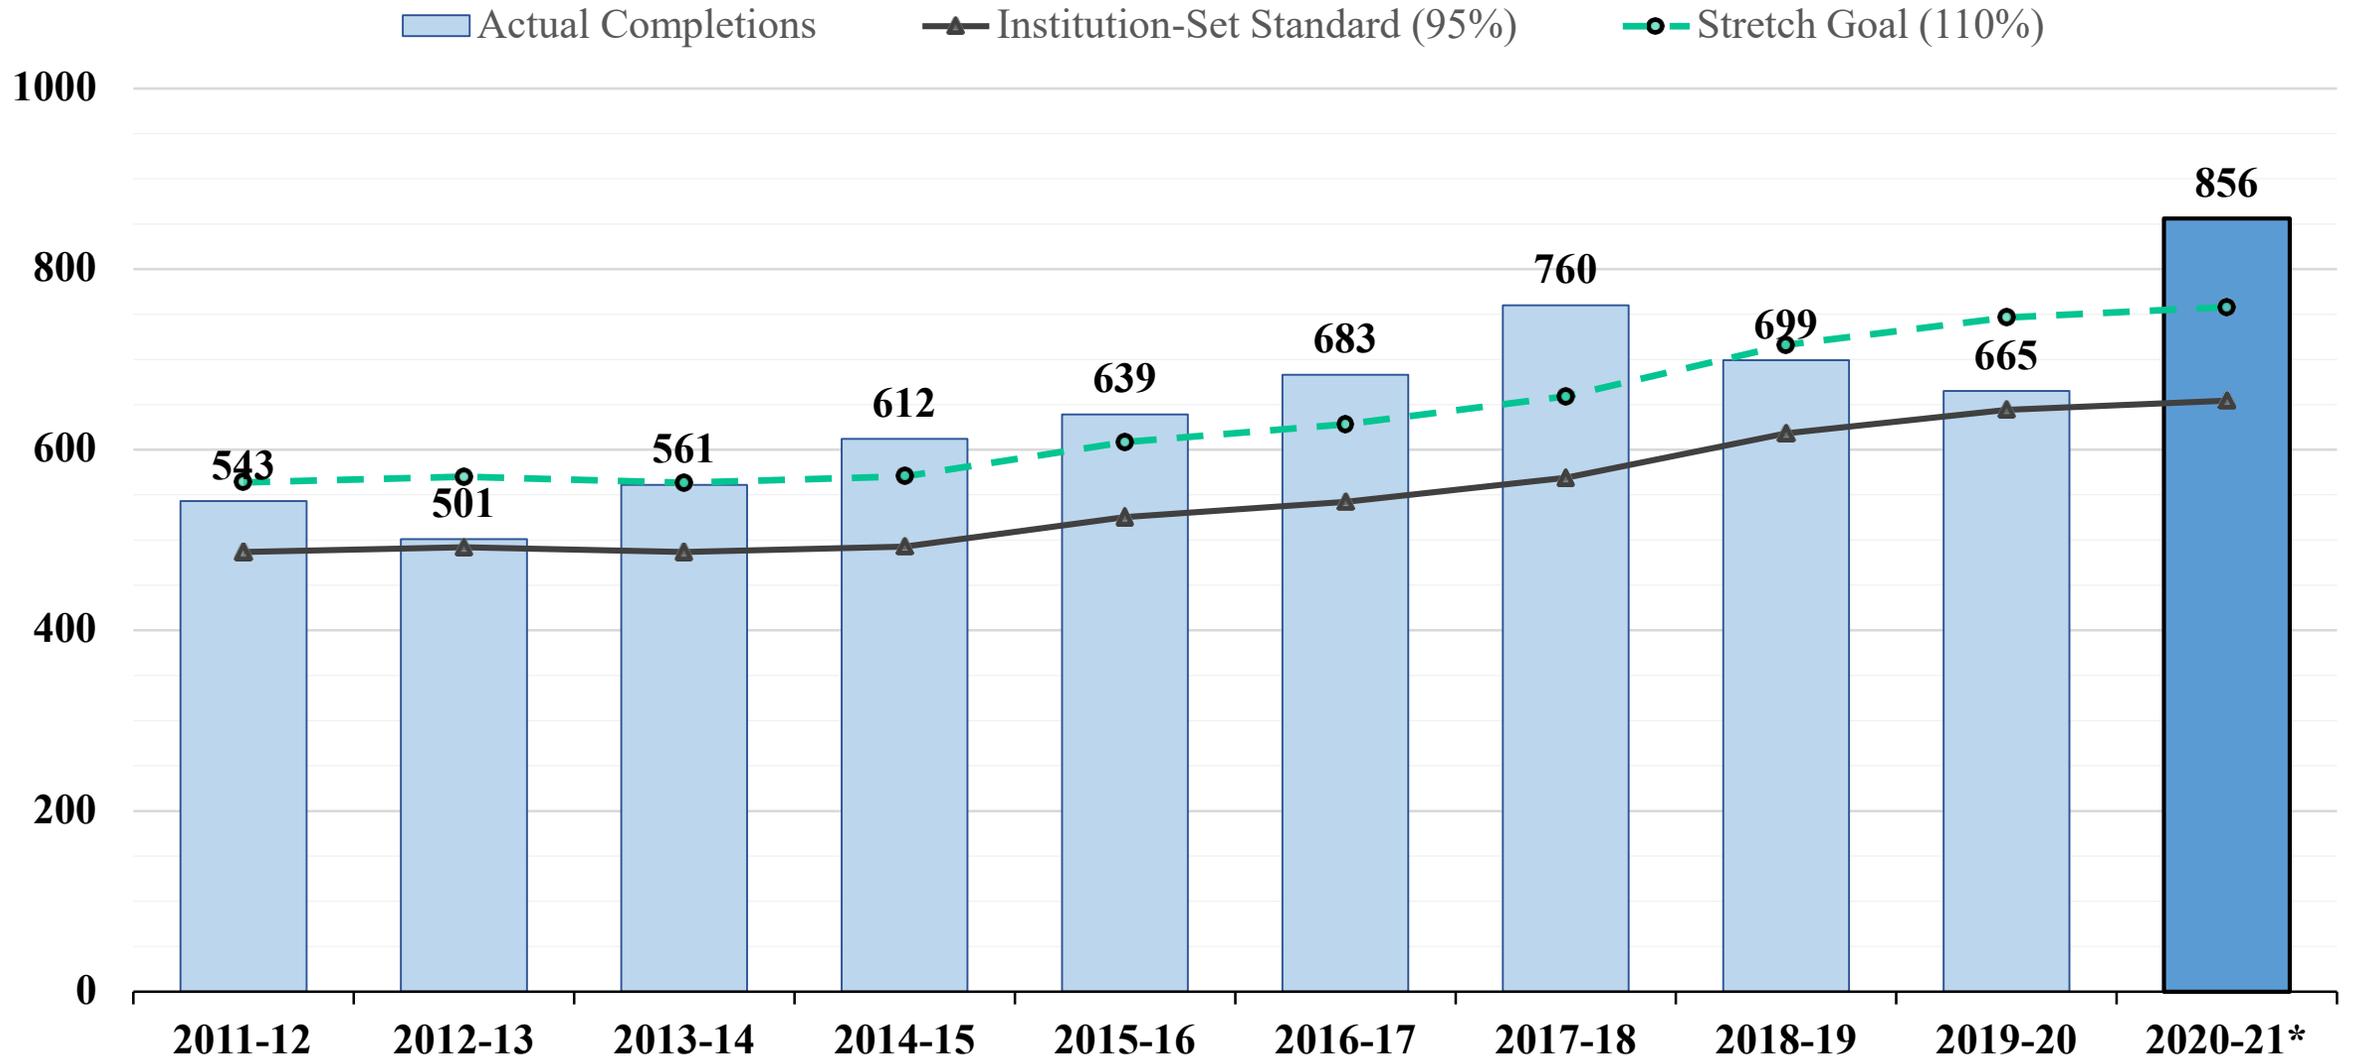

Note: Excludes CSU GE Breadth and IGETC

# Transfer Completion

---

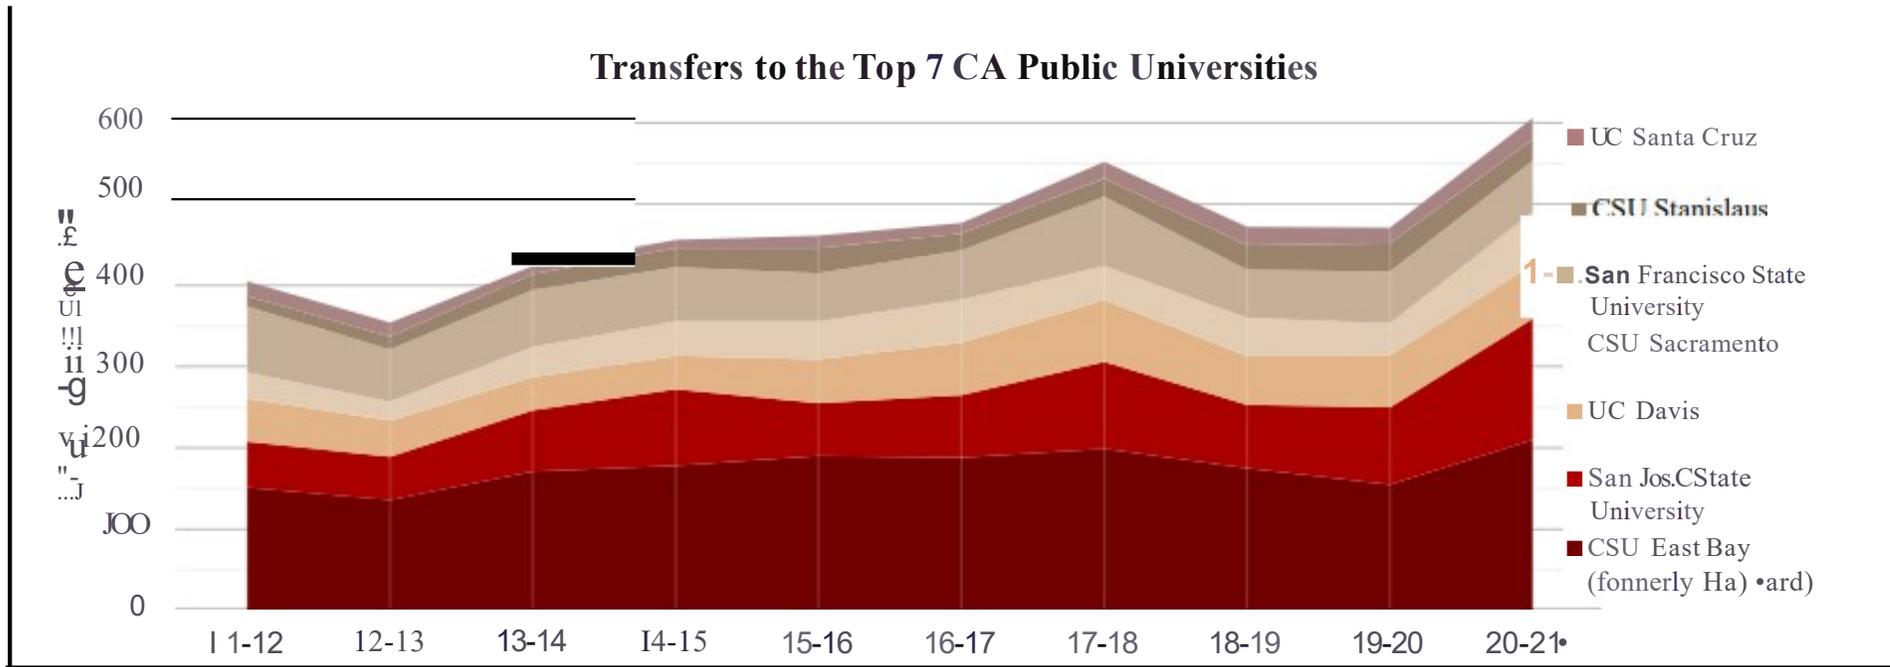

# LPC Transfer Completions (unduplicated)
