4. Program Characteristics:

(Be brief and specific. Use your Program Review to complete this section.)

d. List special characteristics of the discipline such as: (Be brief and specific. Use your Program Review to complete this section.)

- Mandated class size limits due to state, contract, and accreditation standards.
- Facilities
- Number of courses out of the total number of courses in the discipline that meet General Education Requirements
- Number of courses out of the total number of courses offered that are required as part of an AA/AS degree, certificate or transfer
- Discipline provides basic skills courses
- Discipline provides mandated and specialized services to students
- Other

All History courses fulfill General Education Requirements. For example, History 7 & 8 meet the US Institutions Requirement. We also have courses like History 32 that fulfill the American Cultures requirement. In addition all of our courses can be used to complete the AA Transfer Degree in History as well as other Transfer Degrees.

5. Describe how courses and/or services in this discipline impact other disciplines and programs. (Be brief and specific. Use your Program Review to complete this section.)

The History courses are a crucial component to any Liberal Arts education and are required for transfer. Our courses are also required for Degrees in Philosophy and Humanities. For example, the Philosophy Transfer Degree requires History 1 & 2.

6. If this is the first full-time position in the discipline, discuss: (Be brief and specific. Use your Program Review to complete this section.)

- b. Justification for the position.
- c. Projected start-up costs for equipment, facilities, and support staff for the first three years.
- d. Projected enrollment growth for the next three years, starting with the first semester of the projected faculty hire.

Not applicable however the facilities, support staff and student demand are in place. We currently have three full time faculty. We need a minimum of one additional full time positions, and that would bring our total to four full time positions. We currently have less full time faculty than several disciplines much smaller than History.

7. What are the impacts on students, the discipline and the college of NOT filling this faculty position? What are the programs/courses/services that have not been or cannot be offered due to the vacancy? (Be brief and specific. Use your Program Review to complete this section.)

The History Program will continue to offer the same number of sections--staffed instead with part-time faculty. There may be a difference in the quality of instruction and a potential lack of availability of faculty to meet regularly with students. It is increasingly difficult for the History Program to expand course offerings to meet demand and to develop desperately needed World History courses and to re-activate the African American and Mexican American History courses. The three full time historians all have a strong background in US History. A full time faculty member is needed who can teach and revise the Western Civilization courses. We also are in need of more full time faculty who can teach distance education courses. It is difficult to cover staffing during sabbatical and workload banking leaves. Most importantly, more full time faculty are needed to complete the heavy and increasing administrative workload demanded of all college programs including SLOs, yearly Program Review updates, scheduling, peer evaluations, and new adjunct hiring.

8. Any additional information that addresses justification of the position. If multiple positions are being requested, this is an opportunity to differentiate the justifications for additional positions.

Ideally another full time faculty member would be able to teach US History and Western Civilization and/or African American and Mexican American History..
