Subject: RE: special request for shipping and processing cost estimate

Good afternoon Peter,

My estimate for your is \$9826.95 (8552.61 books + 461.84 shipping + 812.50 sales tax). . My estimate is based on the list price. I did not use a discounted or net price to accommodate the unknown processing fees and sales tax (essentially sales tax would counter any discount applied). We apply Kapco Covers to your paperbacks—I would use \$3.25 to estimate the cost per paperback for processing. We also apply Mylar dust covers to the jacketed cloth books—the cost per book is \$0.95.

Our shipping costs are 5.4% of the total net price of the books; our processing costs are \$0.95 per jacketed book; and sales tax is 9.50%. Sales tax charged on books and processing services. Shipping charges are exempt from sales tax.

If I can be of additional assistance, please contact me at any time.

Cheryl

Subject: special request for shipping and processing cost estimate

Hello,

I currently have a large order in my pending online cart with Midwest Library service. The cart number is RLPC 2693. I am requesting a different funding source from our college and I am trying to estimate the total cost of the order, including sales tax, processing and shipping fees before to submit my request to the funding source. Are you able to see this cart (RLPC 2693) before I submit the order? If you are able to see my pending cart, could you give me an estimate of the shipping and processing costs? Could you tell me the process of establishing the shipping cost so that I may estimate the total cost as I budget my funds? For the processing fees, would it be accurate to assume that they only apply to the books in paperback format, allowing me to total the paperback books in my cart in order to estimate my expected processing fees? What is the price of processing fees per book?
I apologize for the expediency, but I am attempting to contact my funding source by Monday afternoon 10/17/15. Would you be able to reply to my questions by Monday morning?

Thank you for assisting me with this special request.
