Subject: Fall 2020 Instructional Equipment Request RAC Recommendation

Committee members, let me thank you for your time and commitment to the process of evaluating and ranking the Fall 2020 Instructional Equipment Requests. I understand the deliberation process can be challenging and time-consuming, and I appreciate your diligence and your desire to be equitable to the faculty who have submitted the requests, but also to the students who are the benefactors of the equipment.

I support your recommendation for the following:

Bond Funding

- KUBOTA B260 COMPACT TRACTOR
- SOKKIA MS16 SMALL MIRROR STEREOSCOPE
- VWR INTERNATIONAL REFRIGERATOR

CARES Act Funding

- FORENSICS EQUIPMENT
- GEOLOGY EQUIPMENT

All remaining IERs, as listed on page 2, will be funded using the State's Instructional Equipment funds allocated to LPC as well as Lottery funds. Thank you for serving on the Resource Allocation Committee.
