

Instructional Equipment Request (IER) Form

FY 2025-2026

Requisition #:

Title of Submission:	AUTO Hunter Engineering Maverick Tire Changer
Vendor Name:	Edwards and Sons Service Equipment
Brief Description of Item(s):	A common piece of automotive shop equipment called a tire changer for removing and installing tires on wheels

Please review all information carefully to ensure timely processing. More information can be found here.

Deadline	Action
10/08/2025	IER forms due to Division Dean
10/15/2025	Division review of IER forms (Dean signature)
10/24/2025	IER forms due to Executive Assistant of Administrative Services (with Dean & VP signature)

Checklist

- △ All IER form fields complete
- ∀alid quote attached to submission (must be attached before submitting form)
 - **Shipping**, **installation**, and **tax** are required on the quote, whenever applicable. This must be provided by the vendor themselves. Do not split quotes or submit duplicate quotes.
 - o **IMPORTANT**: To comply with state law, purchases between \$\frac{30,000.00}{20,000.00} and \$\frac{114,800.00}{20.00} require 3 quotes from 3 different vendors. We're required to proceed with the cheapest option unless a compelling argument can be provided for a more expensive option. If your request is approved, you will be notified *via email* to obtain an **updated quote**, **two additional quotes**, and complete a **Requisition** form. Please monitor your email closely throughout the fiscal year as we **cannot** proceed with your request until these quotes, and any additional requirements, are provided.
 - Purchase requests of \$114,800.00 or more must go out for bid* (aka RFP process) and then go to Board for approval. You will be provided further instruction via email after your request is approved.
 - o For assistance with quotes, please contact Bill Pagano at bpagano@clpccd.org or (925) 485-5271.
- ☐ IER form, with quote, signed and submitted to Division Dean including:
 - Quote (required)
 - New Vendor Application (if new vendor*)
 - Copy of <u>W9</u> (if new vendor*)
 - *Email Business Office to confirm if vendor is in Banner and if vendor documents are needed

*Bid Process: Purchasing submits RFP & selects cheapest bid → Requestor submits Requisition → Business Office enters Requisition in Banner → Requestor submits Board packet with copy of entered Requisition.

IER Process Flow

- 1. Completed packet signed and submitted to Division Dean
- 2. Dean reviews and forwards to Vice President
- 3. Vice President reviews and forwards to Executive Assistant of Administrative Services
- 4. Executive Assistant logs requests and forwards to M&O and IT for review
- 5. RAC reviews and scores requests scores combined into rankings by Executive Assistant for final review
- 6. RAC Chair meets with College President to discuss ranked requests
- 7. College President issues approval memo to RAC
- 8. RAC notifies requestors via email of approved requests and additional steps (e.g. additional quotes, board, etc.)
- 9. Requestor submits Requisition with updated quote(s) (itemization not required on regs for IER requests see example)
- 10. Business Office reviews requisition, enters requisition into Banner, and forwards to Purchasing
- 11. Purchasing will assist with requests that must go out for bid and requires board approval (requestor will be notified)

Instructional Equipment Definitions

Scheduled Maintenance Instructional Materials Funding:

Allowable Items

Instructional equipment expenditures are eligible if the equipment, library material, or technology is for classroom instruction, student instruction or demonstration, or in the preparation of learning materials in an instructional program. There are five categories that will be used to classify instructional support. Please note that requests are not limited to the examples shown below.

- 1. **Equipment and Furniture**: instructional equipment and furniture for primary use by students in instructional programs:
 - a. Classroom/laboratory equipment including whiteboard, screen, projector, etc.
 - b. Instructional furniture including desks, tables, podium, chairs, etc.
- 2. **Information Technology**: instructional information technology equipment for student use in classrooms and/or laboratories including desktops, laptops, monitors, printers, servers, network/wireless infrastructure, AV/TV, multimedia.
- 3. **Software**: software licenses are allowed but only the initial year is permitted. Other software that are permitted are those that are used in excess of one year and software modifications that add capacity or efficiency to the software that defers obsolescence and results in an extension of the useful life of the software, including registration, counseling, student services, learning management systems for student use.
- 4. **Adaptive Equipment**: adaptive equipment for ADA/OCR students are allowed to assist them in a learning environment.
- 5. Library Material: databases, online subscriptions, books, periodicals, videos, etc.

Non-Allowable Items

Administrative or non-instructional purposes including equipment being used for administrative or non- instructional purposes is not allowed, including photocopiers, file cabinets, bookcases, computers, networking infrastructure, software licenses.

Lottery Funding:

Allowable Items

Instructional materials: materials used by pupils and their teachers as a learning resource and help pupils acquire facts, skills, or opinions to develop cognitive processes:

- 1. Laptops and hotspots for students, teachers, and faculty as a learning resource, internet devices
- 2. May be printed or non-printed, textbooks, technology-based materials, other educational materials, and tests.
- 3. Basic instructional materials: materials that are designed to be used as a principal learning resource and meets, in organization and content, the basic requirements of the intended course.
- 4. Technology based materials: basic or supplemental instructional materials designed for use by pupils and teachers as learning resources and that require the availability of electronic equipment in order to be used as a learning resource. o Includes but not limited to software programs, video disks, compact disks, optical disks, video and audiotapes, lesson plans, and databases.
- 5. Supplies and Materials: Software, books, magazines and periodicals, subscriptions, textbooks, instructional materials printing, instructional supplies including library media, audio visual, instructional food supplies, instructional tests.
- 6. Other operating expenses: Software licensing fees.
- 7. Capital Outlay Expenditures: Library books, books replacement, library magazine and periodicals, library nonprint media, instructional software.
- 8. Basic Needs: Housing and food assistance includes grants to students, housing vouchers, direct payments or reimbursements for housing, efforts to increase enrollment in CalFresh, and provision of food pantries/meal programs or free meals. (Documentation is required to demonstrate the need and proper use of funds).

Measure A Bond Funding:

Allowable Items

- 1. Upgrade career and vocational classrooms to better prepare students and workers for good- paying jobs.
- 2. Upgrade classrooms and labs for science, technology, engineering, and math-related fields.
- 3. Provide or upgrade facilities and resources for career preparation in healthcare, nursing and early childhood education.
- 4. Upgrade classroom technology.
- 5. Improve classrooms and resources for paramedic, firefighter and public safety programs.
- 6. Improve vocational classroom and labs for auto repair, agriculture and environmental science programs.
- 7. Improve and expand facilities which prepare students for transfer to four-year college and universities.

IE Rubric

RAC evaluates each IE request based on the rubric below. RAC stresses the importance of quality requests. RAC may choose not to rank incomplete IE requests.

Criteria	Strong Evidence	Adequate Evidence	Limited Evidence
LPC Mission & Planning Priorities [Section 2] (5 points) Ranking Scale	Clear and compelling evidence/data that equipment will fully support LPC Mission and Planning Priorities. 4-5	Clear evidence/data that equipment will fully support LPC Mission and Planning Priorities. 2-3	Limited or no evidence/data that equipment will support LPC Mission and Planning Priorities. 0-1
Educational Items: Programmatic Impact and Institutional Support [Section 3]	Clear and compelling evidence/data (as stated in program review) that this equipment will have substantial impact on program curriculum.	Clear evidence/data (as stated in program review) that this equipment will have substantial impact on program curriculum.	Limited or no evidence/data (as stated in program review) that this equipment will have an impact on program curriculum.
(10 points) Ranking Scale	8-10	4-7	0-3
Teaching & Learning [Section 4] (10 points) Ranking Scale	Clear and compelling evidence/data that equipment provides much needed or beneficial enhancement to instruction. 8-10	Clear evidence/data that equipment provides enhanced instruction that is not met through current means. 4-7	Limited or no evidence/data that equipment provides enhanced instruction that is not met through current means. 0-3
Safety and/or Org. Effectiveness [Section 5] (5 points) Ranking Scale	Clear and compelling evidence/data that equipment will support safety and/or organizational effectiveness above and beyond current capability. 4-5	Clear evidence/data that equipment will support safety and/or organizational effectiveness beyond current capability. 2-3	Limited or no evidence/data that equipment will support safety and/or organizational effectiveness beyond current capability. 0-1
Outcomes [Section 6] (5 points) Ranking Scale	Clear and compelling evidence/data that equipment will support course and/or program outcomes above and beyond current capability. 4-5	Clear evidence/data that equipment will support course and/or program outcomes beyond current capability. 2-3	Limited or no evidence/data that equipment will support course and/or program outcomes beyond current capability. 0-1

Instructional Equipment Request Form

Name of Requestor: Weston, James	Division: PATH
	Discipline: Automotive
This Equipment Request is: New Equipme	nt or Technology
SECTION 1: Equipment Description	
Describe the specific equipment request technology to LPC from what is currently	ed and how it will be used to replace, upgrade, or provide new in place:
Equipment Location	
Building #: 3500	Room #: 3513
	for the LPC AUTO program. While we do have other tire changers in our shop this machine eing quickly adopted as the standard tire changer used by big commercial tire dealers like
If applicable, describe the legal require equipment, making specific reference	ement, mandate, or safety concern related to the purchase of this to legal requirements or regulations:
More equipment means smaller work groups which wi	ll result in greater lab safety.

SECTION 2: LPC Mission Statement and LPC Planning Priorities

LPC Mission Statement

Las Positas College is an inclusive, learning-centered, equity-focused environment that offers educational opportunities and support for completion of students' transfer, degree, and career- technical goals while promoting lifelong learning.

LPC Planning Priorities

- Affirm LPC's unwavering commitment to equity by deepening campus-wide engagement, enhancing professional development, embedding equity-minded practices in decision-making, assessment, and accountability processes; and building capacity to resolve inequities.
- Increase student success and completion through sustainable college practices, processes, academic support, removal of barriers, and focused professional development.
- Establish a knowledge base and appreciation for health and wellness in the workplace; create a sense of urgency about wellness; prioritize wellness in decision-making, assessment and accountability; and build capacity to support wellness.

Explain how the equipment supports LPC's Mission Statement and Planning Priorities:

I believe the addition of this tire machine supports our mission statement and planning priorities by allowing greater access to students needing to install new tires on their vehicles and to learn how to use this particular type of tire changer. This will allow students ancess they otherwise would not have to this common equipment in the Automotive industry.

SECTION 3: Educational Items | *Program Review*

Specify the educational programs the equipment sup	ports:
This will support the Automotive(Transportation) Technology program.	
Is the equipment part of an upcoming Program Review language from your Program Review to explain:	w? Was it included last year? If not, why? Use
From Section B of our most recent Program Review 5. Move to new building and acquire equipment to facilitate learning.	
Purchase of this equipment will facilitate learning on a type of tire changer	were currently do not have.
SECTION 4: Teaching and Learning Please use evidence and data that describes how the	equipment provides enhancements/benefits to the
Hunter Engineering tire machines are far and away the most common brat be able to have the latest versions of their machines to teach our students versions and is widely used in a lot of our students work or will end up wor additional tire machine just in case the other one is down for a few weeks	s. As mentioned previously this tire machine is one of their newest rking. It will also expand our current capabilities by giving us an
Detail the impact the equipment has on learning:	
As mentioned in the las section with the growing popularity of this particula students to learn how to use it before they are working at a shop that has a is key to helping our students succeed at the early stages of their careers.	one. Efficiency through repetition and exposure to a variety of equipment
Please state the number of classes and students the e	equipment will impact:
Classes/Sections:6 per semester	Students: 150 students per semester

SECTION 5: Safety and/or Organizational Effectiveness

Safety- More equinment i	I, the impact this equipment will have on safety and/or organizational effectiveness: means smaller work groups which means more safety.
Organizational effectivenen In which we off our training Imployees) to learn on.	less- A big part of our (or any Career Technical program) organizational effectiveness is being responsive to the industr ng. Our industry advisory board have expressed their need for us to obtain equipment like this for students (their future
	nt Learning Outcomes (SLOs) he equipment will enable you to surpass your current Student Learning Outcomes:
	program always mention safety.
Having an additional tire	e machine will allow increased safety due to smaller work groups when completing assignments

SECTION 7: Total Cost of Ownership | Maintenance and Sustainability

Does the new equipment replace older equipment? If so, will you retire/surplus the old equipment? If not, where will you store the older equipment and what are the associated storage costs?
N/A
Detail how the equipment meets or exceeds <u>LPC's Sustainability Efforts</u> :
This machine is designed to last decades with minimal maintenance Our current Hunter Engineering equipment has lasted nearly 20 years with HEAVY use. We expect the new one to last just as long.
Any other additional information?
None.
Operator
Primary operator: Weston, James
Does the work align with current position duties? Yes
Cost to train primary operator: 0.00
Approx. # of hours equipment will be used per month: 20+
Comments: The primary users will be students after being trained by faculty or staff.
Maintenance and Repairs
Who will perform maintenance and repairs? James Weston
Estimated hours per month: 20 minutes
Does the work align with current position duties? Yes
Cost to train for maintenance and repairs: 0.00

SECTION 7: Total Cost of Ownership | Maintenance and Sustainability (cont'd)

 Lifespan of Equipment:
 20+ years

Hunter Maverick® Pro Premium Leverless Tire Changer

- + Ergonomic "Pick and Place" Wheel Lift
- + Lighted Lower Roller
 - Articulating leverless tool head automatically keeps aligned with the rollers
 - Fully variable hydraulic controls for low speed finesse and high speed efficiency
 - Ergonomic wheel lift for handling assemblies up to 175 lbs
 - Lower roller light activated by lower roller input and times out automatically
 - 10" to 34" Diameter rim range
 - SmartSet indicator visually indicates proper head height
 - Match mount capable for solving Road Force vibration issues
 - Bead press with built-in lifting ledge
 - InflationStation and bead blaster
 - Optional HunterNet® connectivity
 - Factory Installation & Setup
 - On-Site Training
 - Made in the USA!
