

STUDENT EQUITY & ACHIEVEMENT COMMITTEE MEETING AGENDA

LPC Mission Statement

Las Positas College provides an inclusive, learning-centered, equity-focused environment that offers educational opportunities and support for completion of students' transfer, degree, and career-technical goals while promoting life-long learning.

Equity Mission Statement

Las Positas College will achieve equity by changing the impacts of structural racism, ableism, homophobia, and systematic poverty on student success and access to higher education, achieved through continuous evaluation and improvement of all services. We believe in a high-quality education focused on learning and an inclusive, culturally-relevant environment that meets the diverse needs of all our students.

Equity Operational Definition

Equity is parity in student educational outcomes. It places student success and belonging for students of color and disproportionately impacted students at center focus.

Agenda

1. Call to Order

2. Welcome Week(s)

Dates: January 18-20 and January 24-26

Times: 10a – 1p

What: As we all know, spring '22 semester will be an event. It is the first time many students have been on campus in almost two years. There will be quite a few who will be on campus for the first time, despite being enrolled in online courses. In the spirit of this, and in consultation with President Foster and LPCSG, we want to have a Welcome Event to ease students back into campus life. We've spoken quite a bit about how communication to our students is lacking, so this event will (hopefully) act as an upfront communication strategy about what we offer to students, and where they can access said offerings.

Structure: One of the ideas on the table is that we'll have three distinct locations: General FAQ, Resources, and Academics. This breaks up crowding and reduces the chances for student information overwhelm. - General FAQ area, basic questions will be answered, e.g. How do I get to? Where is? Etc. We'll have maps printed out here.
- Resources area, this is where EOPs, CALWorks, DSPS, Clubs, Health Services, CUP, Caring Campus, etc. will be.
- Academics area is where instructors who aren't teaching in these hours will be able to answer questions about their discipline.
- We also thought about having entertainment e.g. student jazz band, maybe some acting vignettes at certain times,

Goals for this meeting:

- What should be where? Staffing needed.
- What/who should be included?
- What kinds of handouts should be made available to students? Does it make sense (aside from the campus map) to have a one-sheet with all the resources (via QR code that points to our site) or should each area have their own handouts?)
- Ultimately, by the end of the meeting, we would like to have a solid skeleton of the six days of the student welcome back that can be firmed up by the end of the semester.

Remaining Fall Semester 2021 Meetings

- December 16th (tentative)
