Online Technologies

On July 07, 2020 the California Community Colleges Chancellor's Office (CCCCO) released a memo, [Systemwide Online Technology Resources for Colleges to Respond to COVID-19 \(DII 20-02\)](#), which detailed the systemwide technologies available to ensure the continuity of instruction during the COVID-19 pandemic and beyond.

On November 02, 2020 the CCC Chancellor's Office published its latest guidance, [COVID-related Technology Support Infrastructure Update \(DII 20-03\)](#), which provided an update on systemwide tools available to colleges for the 2020-21 academic year. A follow-up memo, [System Resources Digital Support \(DII 21-200-01\)](#), was sent to the CCC system on June 21, 2021.

Colleges wishing to secure additional products through a centralized procurement process may do so via the [CCC Systemwide Technology Access Collaborative \(STAC\)](#).

Online Student Services Platform

Canvas (Instructure):

Learning Management System

Service Description

All California Community Colleges have no-cost access to Canvas by Instructure, the system's Common Course Management System.

Funding Support

Ongoing funding support provided via CVC.

Implementation Instructions

All California Community Colleges have implemented Canvas. Should your college need additional support, please contact support@cvc.edu.

Canvas 24/7 Chat Support (Instructure):

Learning Management System Support

Service Description

All California Community Colleges have no-cost access to 24/7 live Canvas chat support for all users.

Funding Support

Ongoing funding support provided via CVC.

Implementation Instructions

Colleges do not need to do anything to activate Canvas Support. Your college already has a dedicated phone number and live chat and help ticket channels that your students and faculty/staff can use to contact Instructure Support 24/7. Effective January 1, 2021, under the current license with Instructure, phone support will be offered only to Canvas Administrators, Monday through Friday, 6 am to 6 pm – with 10 after-hours calls provided per Canvas Administrator per contract year. The only update your college will potentially need to make will be to adjust the helplines to reflect availability. These helpline links/numbers are usually located in your instance of Canvas on the left-side navigation menu, under the Help icon. Your LMS administrator should be able to make these updates.

If you have any other questions, contact support@cvc.edu or your Instructure/Canvas Customer Success Manager at oeicsm@instructure.com.

Canvas Studio (Instructure):

Service Description

The California Community Colleges have access to the Canvas Studio integrated video management platform. Canvas Studio supports

(Instructure):

Integrated Video Management Platform

rich communication and collaboration, supports interactivity between students and instructors, and provides a fully integrated video experience, complete with artificial-intelligence-generated captions (and the ability to easily edit for accuracy).

Funding Support

Full funding support until June 30, 2022

Implementation Instructions

Canvas Studio is installed by Instructure in each instance of Canvas, not by your Canvas Administrator. For more information, contact your Instructure/Canvas Customer Success Manager at oeicsm@instructure.com.

Pisces (Link-Systems, International):

Online Tutoring Platform

Service Description

Access to Pisces for all California Community Colleges. Pisces is a faculty-designed, 24/7 online collaboration platform. Possible applications include online tutoring, online advising, and online office hours.

Funding Support

Full funding support until June 30, 2022.

Implementation Instructions

In order to set up a Pisces (formerly WorldWideWhiteboard) account, please contact support@cvc.edu. Pisces can integrate into college websites and local instances of Canvas. Please refer to the following [NetTutor & How to Pisces Guides](#).

NetTutor (Link-Systems, International):

Online Tutoring Service

Service Description

All California Community Colleges qualify for a capped centrally-funded subsidy. NetTutor is an online tutoring service that includes tutoring across disciplines, including on-demand, multi-lingual 24/7 math and English tutoring as well as the ability for students to make appointments.

Funding Support

250-hour per college subsidy available to all California Community Colleges from July 01, 2021 to June 30, 2022.

Implementation Instructions

In order to set up a NetTutor account, please contact support@cvc.edu. NetTutor can integrate into college websites and local instances of Canvas. Please refer to the following [NetTutor & How to Pisces Guides](#).

Zoom:

Online Student Services Platform

Service Description

Access to Zoom is available to all California Community Colleges via CCC TechConnect. Zoom is a meeting and collaboration platform (including student services).

Funding Support

Ongoing funding support provided via CCC TechConnect.

Implementation Instructions

In order to access Zoom, please contact support@ccctechconnect.org.

In-depth training and support materials for systemwide tools are [available via the CVC's Ecosystem Portal](#).

Systemwide Technology Access Collaborative (STAC)

In fall 2020, the Systemwide Technology Access Collaborative (STAC) began as a project between the California Virtual Campus (CVC) and the Foundation for California Community Colleges (CollegeBuys) to support the California Community Colleges through product vetting and streamlined procurement of online student and faculty support services. By leveraging the collective purchasing power through STAC, participating colleges can realize cost savings through economies of scale, reduce administrative overhead, and provide online learning and support environments that yield a common, high-quality student experience across colleges. For a copy of the Order Form, please contact collegebuys@foundationccc.org.

To participate in STAC, colleges should:

1. Submit the completed Order Form to collegebuys@foundationccc.org no later than June 15, 2021.
2. CollegeBuys will provide a quote for review by your college or district (based on the NTE pricing).
3. Acknowledge, approve, and submit a prepared purchase order back to collegebuys@foundationccc.org. Purchase orders must be received by June 25, 2021.
4. Your college or district will receive a single invoice after submission. The invoice will reflect final pricing and the cost savings per service.
5. Once the order is complete, suppliers will reach out to the purchaser for implementation of the order.

Colleges unable to participate in STAC (i.e. the Buying Window has closed) may continue to purchase online tools through pre-negotiated special pricing contracts in place at the not-to-exceed cost on the Order Form. More information can be found on the CollegeBuys STAC [website](#).

103 CCCs participated in the most recent STAC purchasing window.

STAC will reopen in April 2022 for 22-23 Academic Year.

Simplifying procurement of online teaching, learning and student support tools for the California Community Colleges.

The Systemwide Technology Access Collaborative (STAC) is a systemwide collaborative between the California Community Colleges Chancellor's Office, the Foundation for California Community Colleges' CollegeBuys program, and the California Virtual Campus initiative to centralize the ordering of online teaching, learning

RFP and Bid Opportunities
(<https://foundationccc.org/Collegel>)

and student support tools. STAC makes it easier for colleges and districts to get the resources they need while also creating cost savings for the system through economies of scale.

The purchasing window for academic year 21-22 services, supported 103 community colleges benefitting over 680,000 students. Collectively STAC realized over \$14.6 million in cost savings for the California Community Colleges.

The goals of the STAC program are to achieve:

1. **Efficiency** by centralizing procurement of essential online education tools
2. **Cost savings** through the system's combined spending potential to create economies of scale
3. **Institutional parity** in pricing and service delivery regardless of purchasing volume or institutional size
4. **Accountability** in vetting and approval of supplier partners by system partners
5. **Compliance** with state law in acquiring products and services.

(<https://www.cccco.edu/About-Us/Chancellors-Office/Divisions/Digital-Innovation-and-Infrastructure>)

All California Community Colleges may participate in STAC. Participation is non-mandatory.

If you have questions about eligibility and participation please contact
CollegeBuys collegebuys@foundationccc.org (<mailto:collegebuys@foundationccc.org>).

Not sure if your college is already participating in STAC? [View participating colleges >](#)

Ordering

Pricing on the STAC Order Form is a not-to-exceed amount, meaning a participating college will not pay more than what is indicated on the Order Form. If an existing contract is already in place with one of our partners, we will assist in the negotiations of a prorated price and align service terms to cover the remaining months of the fiscal year.

To complete an order:

1. Submit the completed STAC Order Form to collegebuys@foundationccc.org (<mailto:collegebuys@foundationccc.org>).
2. CollegeBuys will provide a quote for review by your college or district. Quote will reflect not-to-exceed pricing.
3. Acknowledge, approve, and submit a prepared purchase order back to collegebuys@foundationccc.org (<mailto:collegebuys@foundationccc.org>).
4. Your district will receive an invoice after submission. Invoice will reflect final pricing and cost savings per service.
5. Once the order is complete, suppliers will reach out to the purchaser for implementation of the order.

Adobe Creative Cloud

Adobe manufactures award-winning software solutions for network publishing, including web, print, video, wireless, and broadband applications. Its graphic design, imaging, dynamic media, and authoring tools enable customers to create, publish, and deliver visually rich content.

Colleges can access the most popular Adobe tools at a price point that is unparalleled under the Foundation consortium agreement. Adobe, the Foundation for California Community Colleges, and ComputerLand of Silicon Valley are pleased to offer site licensing of Adobe's most popular creative tools. Students, faculty, and staff will have access to the tools in a variety of ways to enhance the educational experience.

Products and Services

- Adobe Creative Cloud All Apps (20+ Desktop, Mobile, & Web)
- 100 GB of Adobe Cloud Storage
- Subscription Terms (6-months and 12-months)

California Connects

(https://shop.collegebuys.org/articles/calconnects_landing.htm)

Inspired by the original digital literacy program, California Connects Mobile Internet aims to close the broadband gap in California and nationwide. California Connects includes a mobile hotspot that lets you stay connected to the internet in school, at home, and on the go. The new mobile hotspot service, powered by Sprint and T-Mobile, offers nationwide 4G LTE connectivity and allows users to connect up to 10 Wi-Fi enabled devices for up to 10 hours on a single charge; no contract required.

Products and Services

- LinkZone 2 Mobile Hotspot (All Day Connectivity - Wireless Mobile Hotspot. Connect up to 16 devices for up to 24 hours. Use it to charge your phone, tablet, or other devices.)
- For more product information visit California Connects Website ([/What-We-Do/Student-Success/California-Connects](#))

[Home](#) → CVC Exchange – College Implementation Board

Home College Readiness: Once completed, your college’s students can take courses on the CVC Exchange, reaching their educational goals faster. Your students will apply directly to the Teaching College and can take up to two (2) CVC Exchange courses per term.

Course Finder (Phase 1): In addition to the above, your college’s online courses are now on CVC Exchange and available to other college’s students. Seat counts are live and read from your Student Information System (SIS) in real-time. Students will still complete a full application to your college when they take one of your college’s CVC Exchange courses.

Cross Enrollment (Phase 2): The student experience is now more automated and equitable with instantaneous cross-enrollment. Instead of completing a full application at the Teaching College, a student’s Home College information (including residency) pre-populates the fields of an abbreviated enrollment record, and seat counts and course information are updated in real-time from the Teaching College’s SIS. *Note: The description above assumes both the Home College and the Teaching College have completed the implementation of Cross Enrollment (Phase 2).*

Please visit the [Student-Centered CVC Exchange](#) page for more information about implementation, including college documentation and support materials. This important information is organized by functional user groups and is continuously updated.

Distance Education

Policies/Guidelines/Agreements

- [Grace Guidance for Faculty: Cameras, Recording, and Proctoring \(/onlinelearning/assets/docs/grace_guidance.pdf\)](/onlinelearning/assets/docs/grace_guidance.pdf). Distributed by the LPC administration on November 5, 2020.
- [Regular Effective Contact Guidelines \(/onlinelearning/assets/docs/contact.pdf\)](/onlinelearning/assets/docs/contact.pdf). Approved by the LPC Academic Senate on Nov. 28, 2012. Revisions approved by the Senate on March 10, 2021.
- [DE Accessibility Guidelines \(/onlinelearning/assets/docs/de_accessibility_guidelines.pdf\)](/onlinelearning/assets/docs/de_accessibility_guidelines.pdf). Approved by the Distance Education Committee on April 23, 2021.

- [OEI Course Design Rubric Resolution \(/onlinelearning/assets/docs/oei_rubric_resolution.pdf\)](/onlinelearning/assets/docs/oei_rubric_resolution.pdf). Approved by the LPC Academic Senate on Nov. 29, 2017.
- Instructor's Withdrawal Option: Distance Education. "The instructor may drop students who miss the first meeting of a course. The first meeting of online or hybrid Distance Education courses is the first day of the class as specified in the class schedule listing. For these courses, instructors may drop students who do not log into their Canvas course and/or complete indicated activities by the third day of classes. DE instructors may drop students if they have not submitted work and/or accessed the class for two consecutive weeks. For Summer courses, DE instructors may drop students if they have not submitted work and/or accessed the class for one week."
 - First three sentences approved by the LPC Academic Senate on Dec. 17, 2008. Fourth sentence approved by Senate on May 23, 2012. Fifth sentence approved by Senate on March 13, 2013.
- Faculty training statement. Approved by the LPC Academic Senate on March 11, 2009. "Whereas Blackboard (now Canvas) is such an integral part of our education, all faculty who use it, need proper training, including copyright and accessibility issues."
- [Privacy Statement \(/onlinelearning/privacy.php\)](/onlinelearning/privacy.php). Approved by LPC DE Committee on Oct. 27, 2006. Includes language on student authentication.
- Official description of DE. Approved by the LPC DE Committee on Oct. 28, 2011. Language included in college catalog:

"Las Positas College typically offers Distance Education classes in two formats: online, which is conducted over the Internet; and hybrid, which is a combination of online and on-campus instruction. In addition to class sessions, materials, and exercises being accessible online, Distance Education classes make full use of interactive technologies, such as email, discussion boards, blogs, chat, and even group assignments so students can stay connected with their instructor and fellow students.

Because Distance Education classes offer access to accommodate the varied lifestyles and learning styles of students, Las Positas College offers an array of General Education classes in this format. Moreover, students can take Distance Education classes to earn many, if not all, of the units necessary to obtain certain degrees and certificates. Current class offerings can be found in the Class Schedule, on the CLASS-Web website, and on the Las Positas College Online Learning website.

Links for the above websites can be found on the College's home page at www.laspositascollege.edu. For more information, including support services, orientations, success tips, and privacy information, see the Las Positas College Online Learning website, or call 925.424.1142."

- [Recommendations for adding students to DE classes \(/onlinelearning/faculty/canvas/adding_students.php\)](/onlinelearning/faculty/canvas/adding_students.php). Recommendations agreed upon by LPC DE Committee in May 2014.
- [Canvas Usage Statements \(/onlinelearning/faculty/distance_education/handbook/canvas_statements.php\)](/onlinelearning/faculty/distance_education/handbook/canvas_statements.php). Originally approved by the LPC Academic Senate on Nov. 14, 2018.
- [Canvas Course Storage Guidelines \(/onlinelearning/faculty/distance_education/storage.php\)](/onlinelearning/faculty/distance_education/storage.php). Approved by the Distance Education Committee on March 26, 2021.
- Canvas global messaging policy, agreed upon by LPC Executive Council, Fall 2020: LPC may use global messaging to push out "*changes to policy and services that need to be communicated evenly to students.*"

District

- [Faculty Contract \(http://districtazure.clpccd.org/hr/collective-bargaining-agreements.php\)](http://districtazure.clpccd.org/hr/collective-bargaining-agreements.php). Includes DE language on working conditions, evaluations, intellectual property, etc.
- [Board policy on Distance Education \(http://districtazure.clpccd.org/policies/files/docs/BP4105.pdf\)](http://districtazure.clpccd.org/policies/files/docs/BP4105.pdf). Approved by the CLPCCD Board of Trustee on Feb. 18, 2014.
 - [View the accompanying Administrative Procedures \(http://districtazure.clpccd.org/policies/files/docs/AP4105.pdf\)](http://districtazure.clpccd.org/policies/files/docs/AP4105.pdf).
