

LAS POSITAS COLLEGE MUSIC DEPARTMENT

AA-T/AA MUSIC GUIDED PATHWAYS

Students pursuing the AA-T and/or AA in Music must complete general education courses and major-area music courses listed in this document. Required, recommended and elective music courses are listed on this plan. It is strongly encouraged that students earn both the AA and AA-T, as the only addition to earn the AA are piano classes and music electives. Please see an LPC Counselor for recommendations on required General Education courses.
