

## Program-Set Standard for Course Success Rates Data Used to Evaluate Academic Year 2018-19

Updated: 8/7/19

In order for a program to meet its program-set standard for course success rates, its course success rates for the evaluation year should meet or exceed the 95% of a five-year rolling average. If a program did not have enrollments in AY 2018-19, then its program-set standard cannot be evaluated for AY 2018-19.

NOTE: "✓" = meets standard; "X" = does not meet standard; "!" = barely meets standard
